Our delectable duo don't dick around where work's involved – but when it comes to pleasure, well, that's a different story…

A perfectly-formed party organiser over here from The Big Apple. On second thoughts, shouldn't that be Melon County?

WHERE IT'S AT

Mayfair Male 4

Our letters column is so raunchy it should come with a government health warning: 'Reading these letters while standing may cause discomfort (and minor irritation to the person standing in front of you!)'

Celebrity Nudes 12

Babewatch, *Buttwatch*, call it what you will, the *Baywatch* series has featured some of the most beautiful girls in Hollywood. And we've got three of the best in this issue, all with their Tinseltown knickers down!

Sex On Drugs 14

We all know that drugs can kill, but could it be possible that they may actually *save* (sex) lives? We asked self-confessed stoner Rico Vasquez to give us the blow-down…

On The Pull 22

Our intrepid trio set off for a night on the town, and at the forefront of their minds a single thought burns like a beacon in the blackness: 'Lager'. Eh? Hang on a minute, that can't be right. Shurley shome mishtake.

Page 3 Or Bust 24

We track down six of the most popular Page Three girls to ever grace a British breakfast table, then ask them a few searching questions relating to their past, present and future, and hey breasto! Instant feature.

Historical Humping 32

Birds do it. Bees do it. Even educated fleas do it (allegedly). So let's do it. Let's find out what tickled our ancestors' fancies, and see if there are any bonking benefits to be taken roughly from behindsight!

Sunset Stripper 42

Porno movie star Sunset Thomas has such a lovely name, so gentle and romantic. With a name like that, you'd think butter wouldn't melt in her mouth, wouldn't you? In fact, we can't believe it's *not* butter…

Scene From… 52

The answers to all of life's little mysteries can be found here. Does stinging-nettle cordial *really* increase your testosterone level? And just who *would* win in a fight between James T Kirk and Jean-Luc Picard?

Quest 64

It was a close shave, but we came through it unscathed. We asked three of our female readers what it's like to *really* bare the beaver, and they told us. In no uncertain terms. Hedge strimmers at the ready, folks!

Object Of Desire 68

Is it a bird? Is it a plane? Er, the latter actually, it IS a plane! The Extra 300 stunt monoplane, to be precise, and we managed to get a ride in the only one of its kind currently looping-the-loop on (or should that be above?) our shores. You could too, if you've got the dosh!

MAYFAIR Male

Greetings comrades, from the People's Republic of *Mayfair*! Before we tour our heroic tractor factory, please bear witness to the decadence of the West typified by this selection of lewd letters – shafting, sucking, begging, fucking – do these imperialists think of nothing else? By the way, are there any seats available on your flight back to Britain?

A PC THE ACTION…?

Many thanks for Vol 31 No 4 – some beautiful girls! I popped into a shop and browsed through the shelves. I had just enough money to buy one of my favourite PC magazines, which I normally read from the first page to the last. Then I saw the photos of Nancy…

The devil was tempting me with "Don't buy *Mayfair*, buy the PC magazine!" He aggravated me by adding: "This month's issue of the PC magazine shows the new Pentium Pro 2000Mhz with pipeline-burst cache, 1 nanosecond access time memory, a terra byte capacity 128 bit bus, a terra byte hard disk with 1 microsecond access speed…"

Of course, I bought *Mayfair*.

K Chong Kim, Wigginton

Reply: *Well played, KCK! As we suspected: if Old Nick's telling you not to buy Mayfair, we must be on the side of the angels. And if silicon's your thing, check out the pictures of Pammy that are bound to be printed somewhere in this ish!*

NO, YOU CAN'T!

I would like to ask if I could buy the set of photographs you recently published of Eryka (Vol 31 No 4), including the ones you did not use. In all the time I've been buying *Mayfair*, I've never seen such a beautiful girl with such a perfect body!

The photographs will not be used for publication, I'd like them for myself. I would like them to be 7 x 5 inches, and is it possible to order enlargements after I get them? Please let me know how much it will cost and how to pay.

J van de Pol, Essex

Reply: *While it's nice to know you like the gals, we never send out photos, posters or anything else. All the sexiest pictures go straight into Mayfair every month, all the rubbish goes in the bin. That's the way it works, because we aim to bring you nothing but the best. If you're pining for Eryka, you can see her and all your other faves in the* Best Of Mayfair Number 25 – Girls Of Summer, *which is out… now!*

GREECE IS THE WORD

I must write to tell you about one of my schoolboy fantasies, which actually came true when I went on a Club 18-30 holiday to Greece with the rest of my football team.

We split up into three groups of four, my group ending up at a club called "Diamond Disco". After about twelve tequila slammers and a few bottles of the local brew, we were full of Dutch courage and decided to go for the local talent. Things didn't go too well at first, but Ragga (a well-hung Asian of 23) showed us the way by scoring with a pretty girl called Sally.

It was obvious she was a bit of a goer from the way she was handling the hard-on in his pants and licking her cock-sucking lips at the rest of us. She upped the ante by saying "So, do you English boys want to party, or what?"

When we got back to the apartment, she started to kiss and fondle Ragga's growing bulge and within minutes she'd dropped to her knees and was taking his whole length down her willing throat. Well, that was all we needed by way of an invitation, so we joined in…

Quinn, our 21 year-old mate, moved behind her and pulled off her skimpy white dress to reveal her massive tits and a black G-string. We all gathered around and she told us to lift her onto the bed. That's where the action really started.

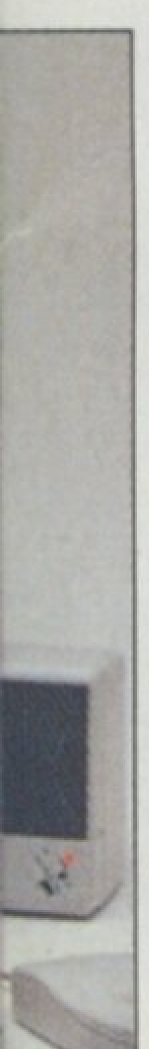
Eryka, back by popular demand – and still finger-lickin' goooood!

I climbed onto the bed next to her, wrestled my cock out of my shorts and fed my nine inches into her waiting mouth. She started giving me an expert blow-job while the other bloke there, Gill (who has the biggest dick I've ever seen), lifted her tight arse off the bed and fed his meat into her from behind. At the same time, Ragga started to suck her erect nipples and Sally wanked Quinn with a free hand.

She came with a huge scream as Gill pumped into her as hard as he could, then she sensed that I was close to coming and sucked extra hard on my cock until I unloaded into her mouth.

As soon as Gill and I were finished, Ragga and Quinn took our places. Quinn was so turned on, it only took a few hard thrusts for him to explode inside her. Ragga lasted longer and made the most of her tongue, but didn't

Decisions, decisions – would you prefer to spend an evening with the gorgeous, pouting Nancy (above), or the computer on the left? Hmm…



want to be left out of the pussy action and pressed his dick into her sopping mound when Quinn had moved away. As they both came together, Quinn pulled his prick out and shot his spunk all over her.

Needless to say, we "partied" with Sally a few more times while we were on holiday. In fact, I'm supposed to be going to the travel agent this week to book up this year's trip to Greece!

A SNATCH MADE IN HEAVEN

I am always trying to play matchmaker for friends and workmates. It's always really annoyed my husband, Howard, particularly as I'm always attempting to pair off Phil, his best friend, with all of my girlfriends.

Phil is a smashing bloke – handsome, intelligent and very funny, but so laid back that he keeps missing out on dates and losing girlfriends. Howard keeps telling me not to worry and that far from leading a lonely, monastic existence, Phil is continued on p41

Favourite Food: *I've got such a sweet tooth, I've nearly always got some sort of choc bar in my pocket or at the bottom of my bag. I go through phases where one type is my favourite – at the moment I'm mad about Star Bars. I didn't think they still made them, but I've found a shop that has them in stock. They've got those awful 70s-style wrappers and taste really delicious.*

Birthday Presents: *Even though it was my eighteenth birthday yesterday, I'm not having my party until this evening. I've been looking forward to this photo-shoot so much I wanted to be really fresh and ready. If I'd turned up all bleary-eyed with a mega-ton hangover, I doubt that Mr Morris would have been too impressed!*

Verdict On The Shoot: *I loved every minute of it! Of course, I was nervous at first, but once I started stripping off, I relaxed and I think it went really well – I hope all the readers agree so that I can do it again soon…*

Ambition: *It would be lovely to be a full-time model, but I'm studying hard to give me something to fall back on. If I do well in my exams this summer, I'd like to go on to university. It would be good if I carried on modelling while I'm there to boost my student loan!*

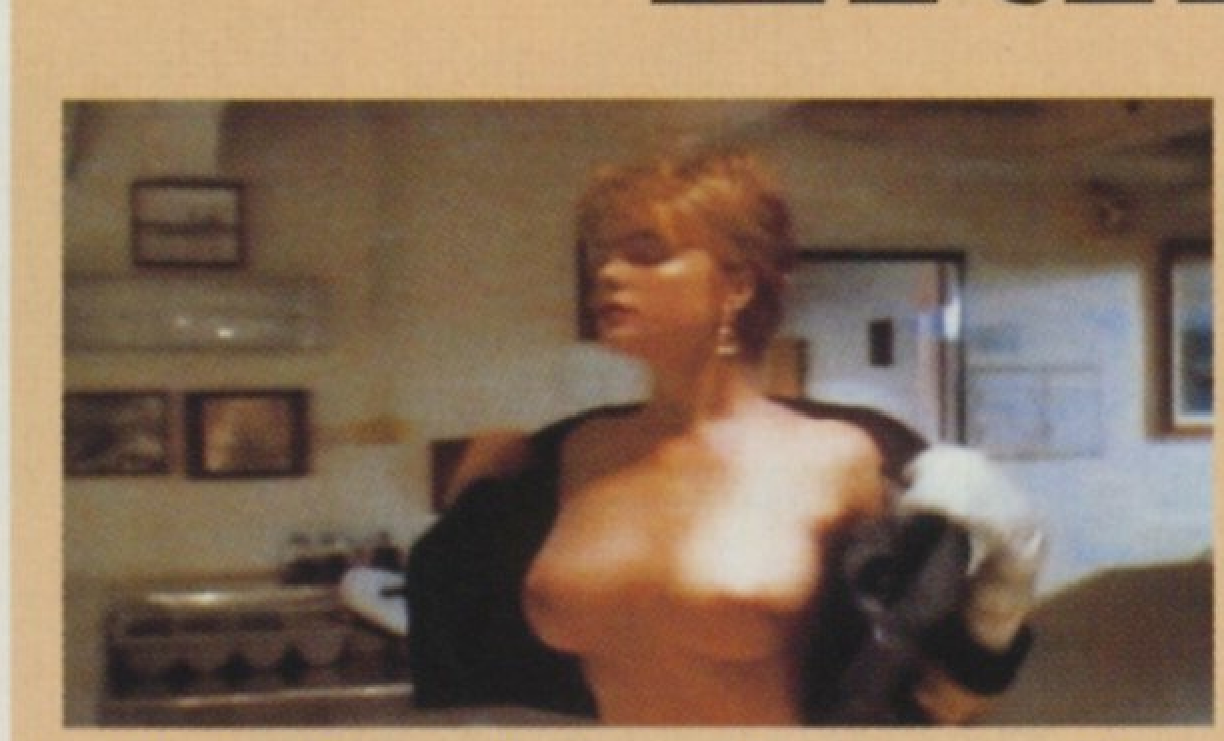
Best Thing About Being Eighteen: *Being able to go into a pub and get a drink. Of course, I've never done* that *before! [laughs] Being an adult hasn't made that much difference – the really important thing is legal at sixteen!*

Most Erotic Experience: *If I'm lucky, it might happen at my party! I'm fairly inexperienced where sex is concerned, but I'm open to offers. I remember the first time I made love – we sneaked into my parents' room while we were supposed to be babysitting for my little sister and got down to business. It felt very naughty to be having sex there, and straight afterwards I was so tired I fell asleep. You should have seen us when we heard the car pull up!*

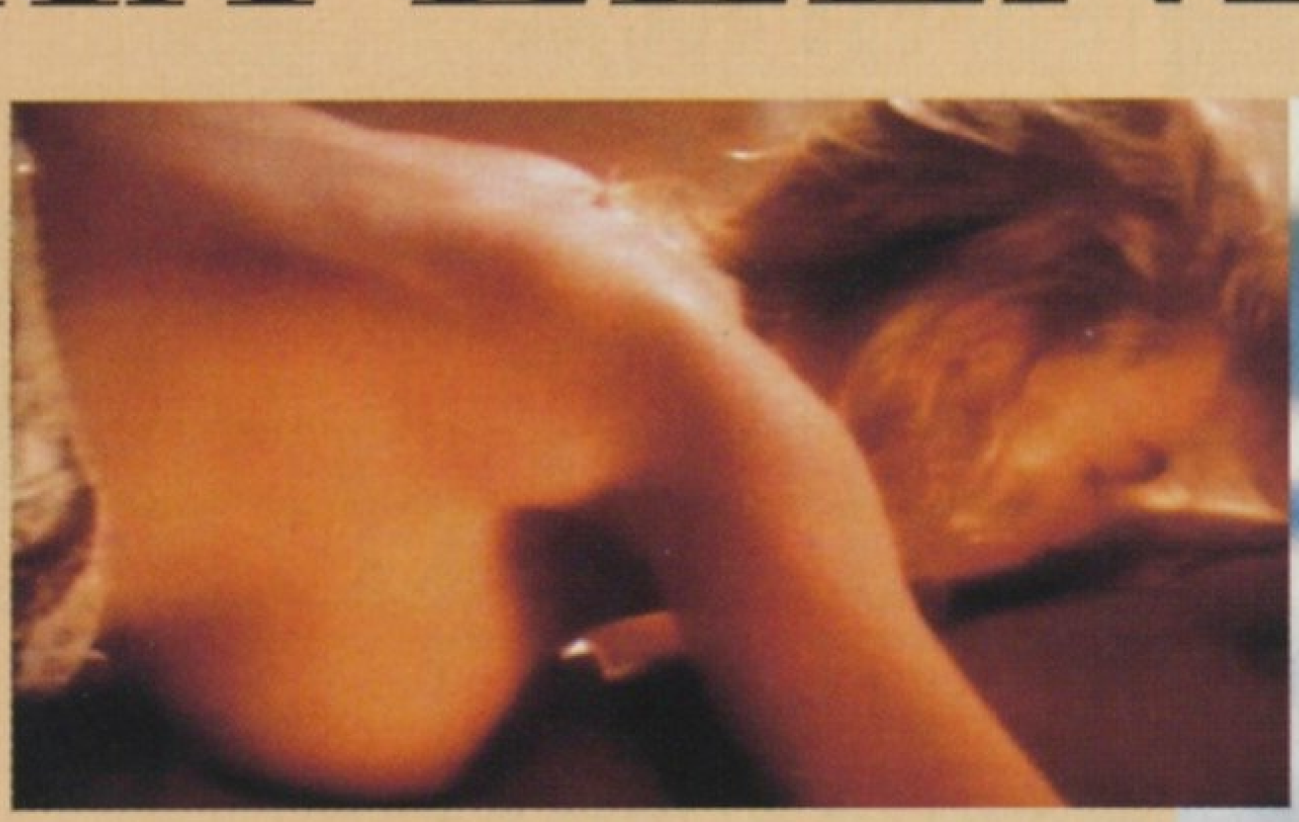
Asking if you're sick of Pamela Anderson is a bit like asking if you're sick of life, but the pumped-up-one has (quite literally) overshadowed some of her *Baywatch* co-stars, who we think are equally worthy of your appreciation. Read on, fans of bronzed breasts in bikinis and questionable acting ability…

BAYWATC

ERIKA ELENIAK



Under Siege: "Wanna buy a watch? Rolex, Cartier… all genuine, mate!"



Chasers: Unlike *Baywatch*'s lifeboats, Erika's chest is not self-righting

Under Siege: Erika shows that acting is a piece of cake to her

Chasers: The morning sun breaks over the mountains – a lovely sight

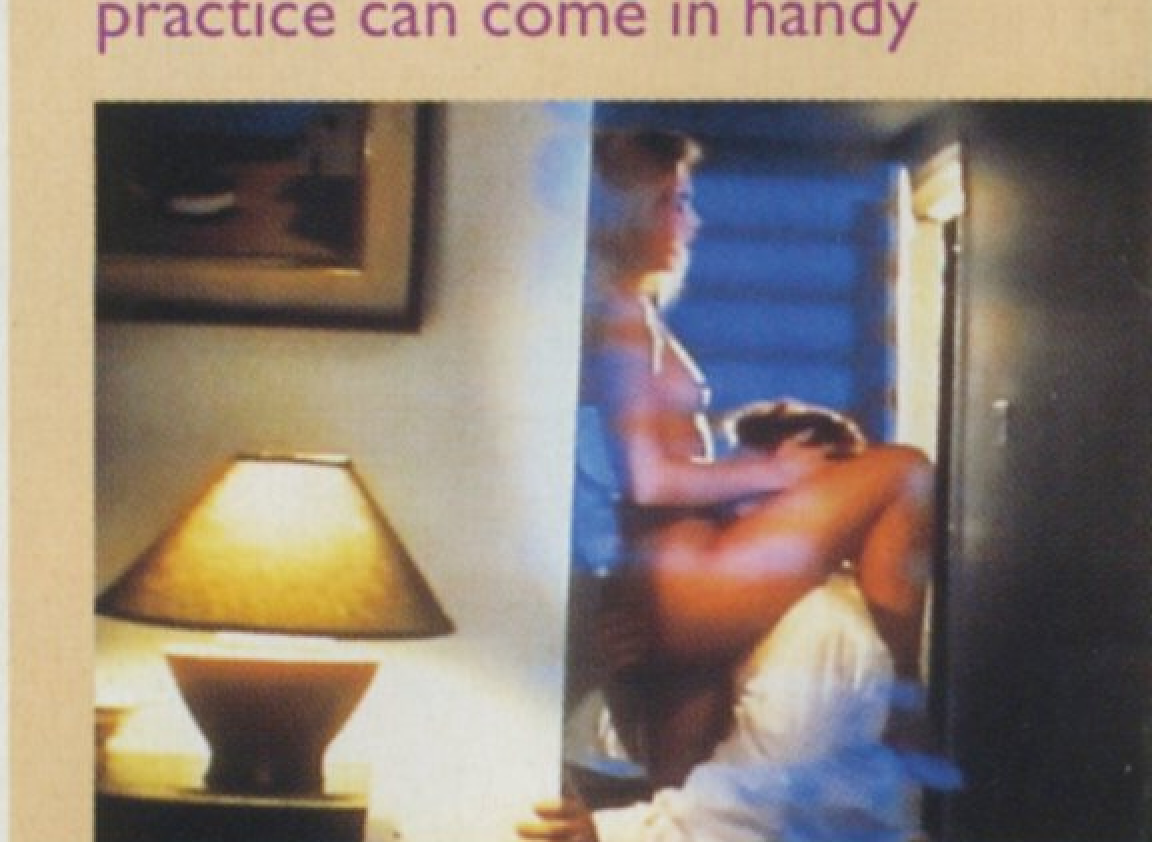
True connoisseurs of *Baywatch* are quick to point out that in the early days of that modern classic, the blonde who seemed set for sex superstardom wasn't Pammy, but the even more impressively-proportioned Erika Eleniak. Her massive melons seemed precariously perched on a slender, athletic figure and her blonde hair and striking features give her a Scandinavian-type beauty.

After a stint on the hilariously unfunny Scott Baio comedy *Charles In Charge* (you might remember him as Chachi in *Happy Days*), Erika landed the plum role of *Baywatch*'s first golden girl. She chose to leave the series after a couple of seasons – it had failed to take off as hoped in most countries, and its producers were considering pulling the plug. But in one country, it was going down a storm. The name of the country? Dear old Blighty, of course! Yes, ladies and gents, give yourselves a pat on the back for being the one outpost of culture and sophistication in a Philistine world. The fact that British screens were bereft of nubile, slow-motion bosoms and decent beaches made it a smash. Using the profits from the British screenings, the producers reworked the formula, gave it more BPM (Breasts Per Minute), hired the unknown Pamela Anderson and became multi-millionaires. Bad move, Erika!

Since then, Erika has appeared in several film roles, most notably as the 'girl in the cake' in the Steven Segal actioner *Under Siege*, in which she treats the poor man's Bruce Willis to a flash of her cherry toppings. She has also been sighted in the remake of *The Blob*, *Chasers*, *Daughters Of Darkness* and the tantalisingly-titled American TV show *Still The Beaver*. She's rapidly becoming *Baywatch*'s forgotten babe, but in our book, she's the original and best!

NICOL

Blown Away: All that surfing practice can come in handy



Blown Away: "Change the bulb while you're up there."

CH BONANZA!

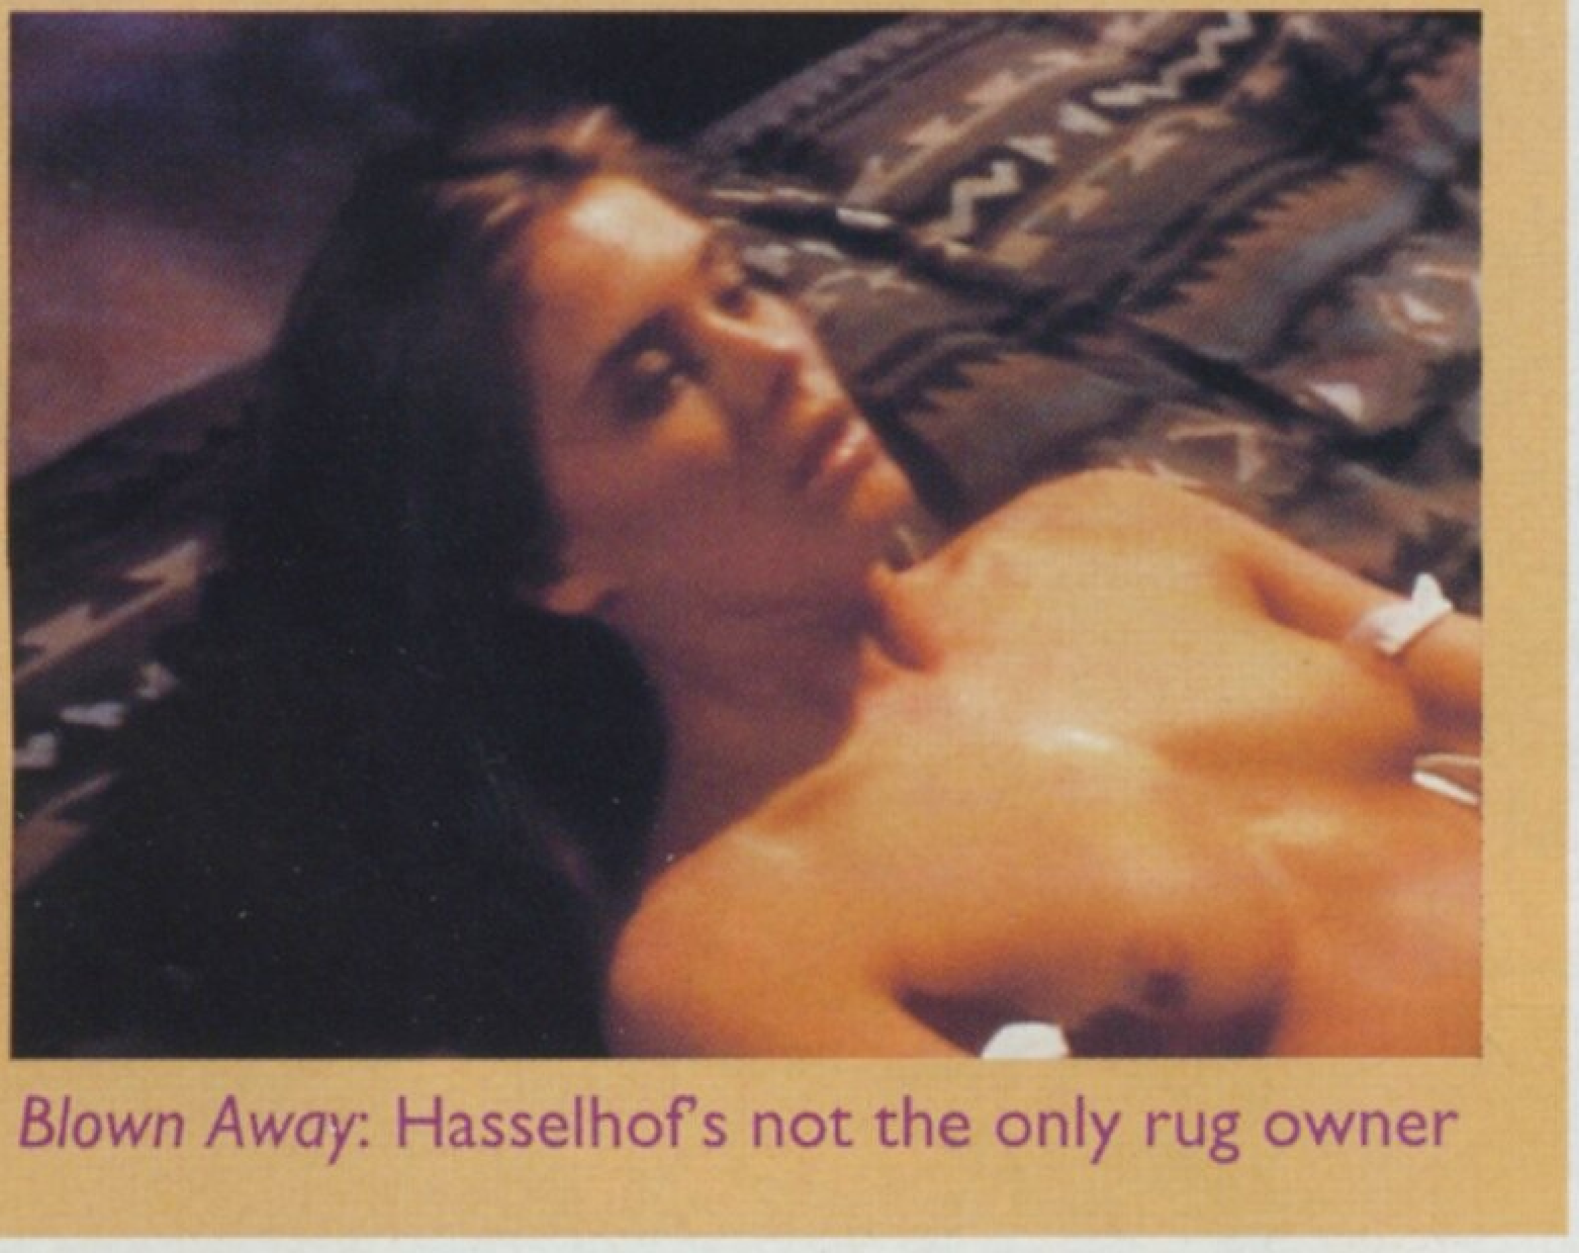
E EGGERT

A pattern starts to emerge when we examine the career of another sandy siren, Nicole Eggert. She too is a graduate of the Scott Baio charm school, having been a regular in *Charles In Charge*. As if that wasn't enough, it's worth noting that Pamela Anderson went out with young Scotty for a while. He even gave her some floor mats for her car on Valentine's Day! She called it off soon afterwards.

Whatever you think of Nicole, you have to give her credit for at least trying to be different. After leaving *Baywatch*, she let her hair grow out in its natural, non-blonde colour and actually removed her breast implants, which may be bad news for tit-fanciers but allows her to climb mountains and fly in planes without fear of spontaneous explosion.

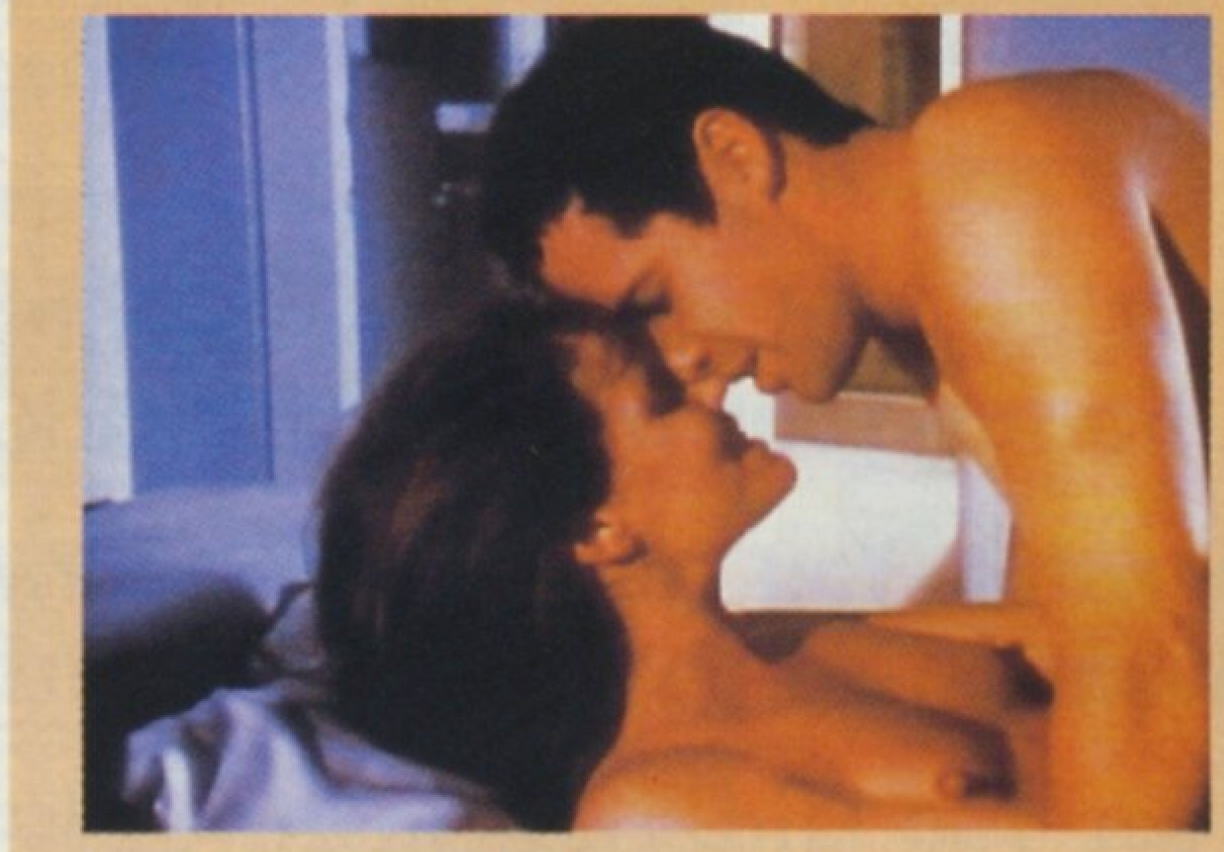
Possibly the raunchiest of the ex-lifeguards, Nicky had no qualms about bearing all in 1992's ultra-sleazy *Blown Away*. Boyfriend Corey Haim samples Nicole's wares in a variety of interesting positions, including that old chestnut, the sex scene in front of a roaring fire (symbolism, right?). Unfortunately, Nicole's moment of carnal ecstasy is ruined by a load of inconsiderate coppers who burst in and shoot her dead. Currently, you're more likely to see her at a celebrity party than on screen. Other credits include such pieces as *Hambone And Hillie*, *Kinjite* and *Rich And Famous*. Sort it out please, Nicole, or you'll end up neither!

Blown Away: Stretching and breathing exercises keep Nicole's knockers in fine trim…



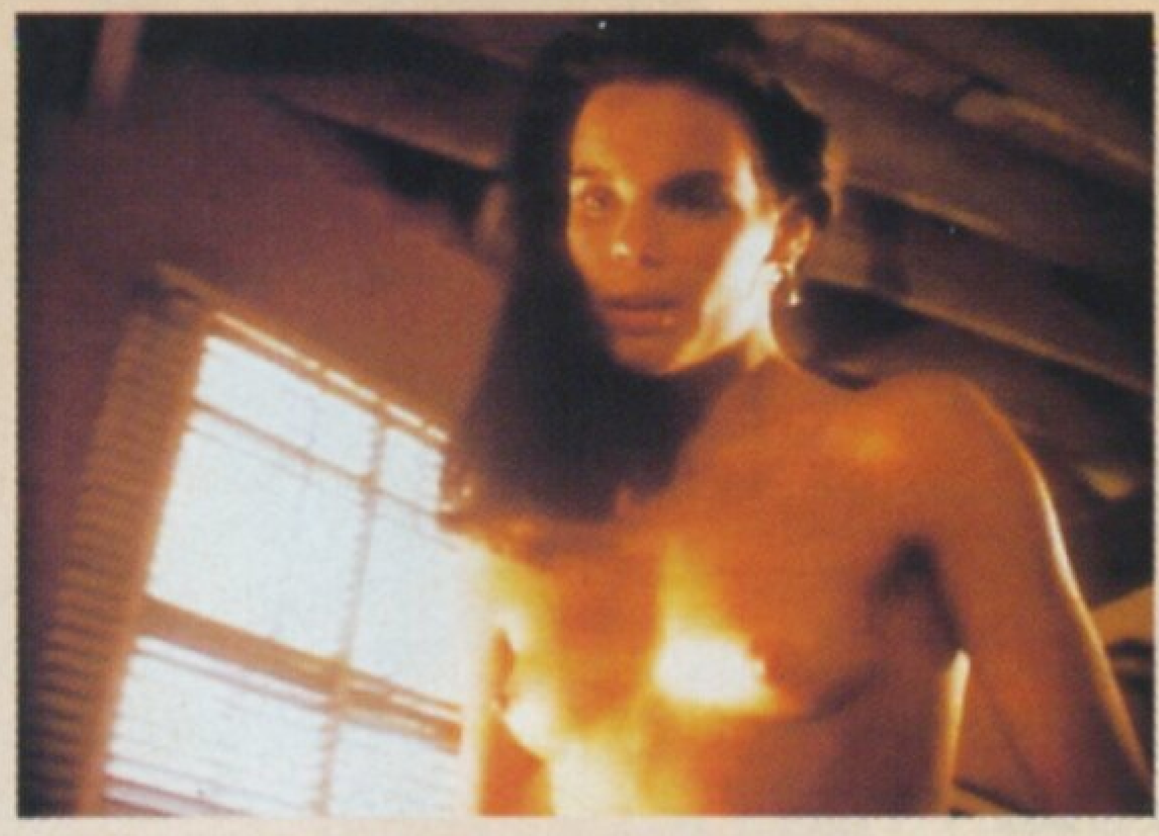
Blown Away: Hasselhof's not the only rug owner

ALEXANDRA PAUL



Sunset Grill: One of the patrons orders two fried eggs from Alex

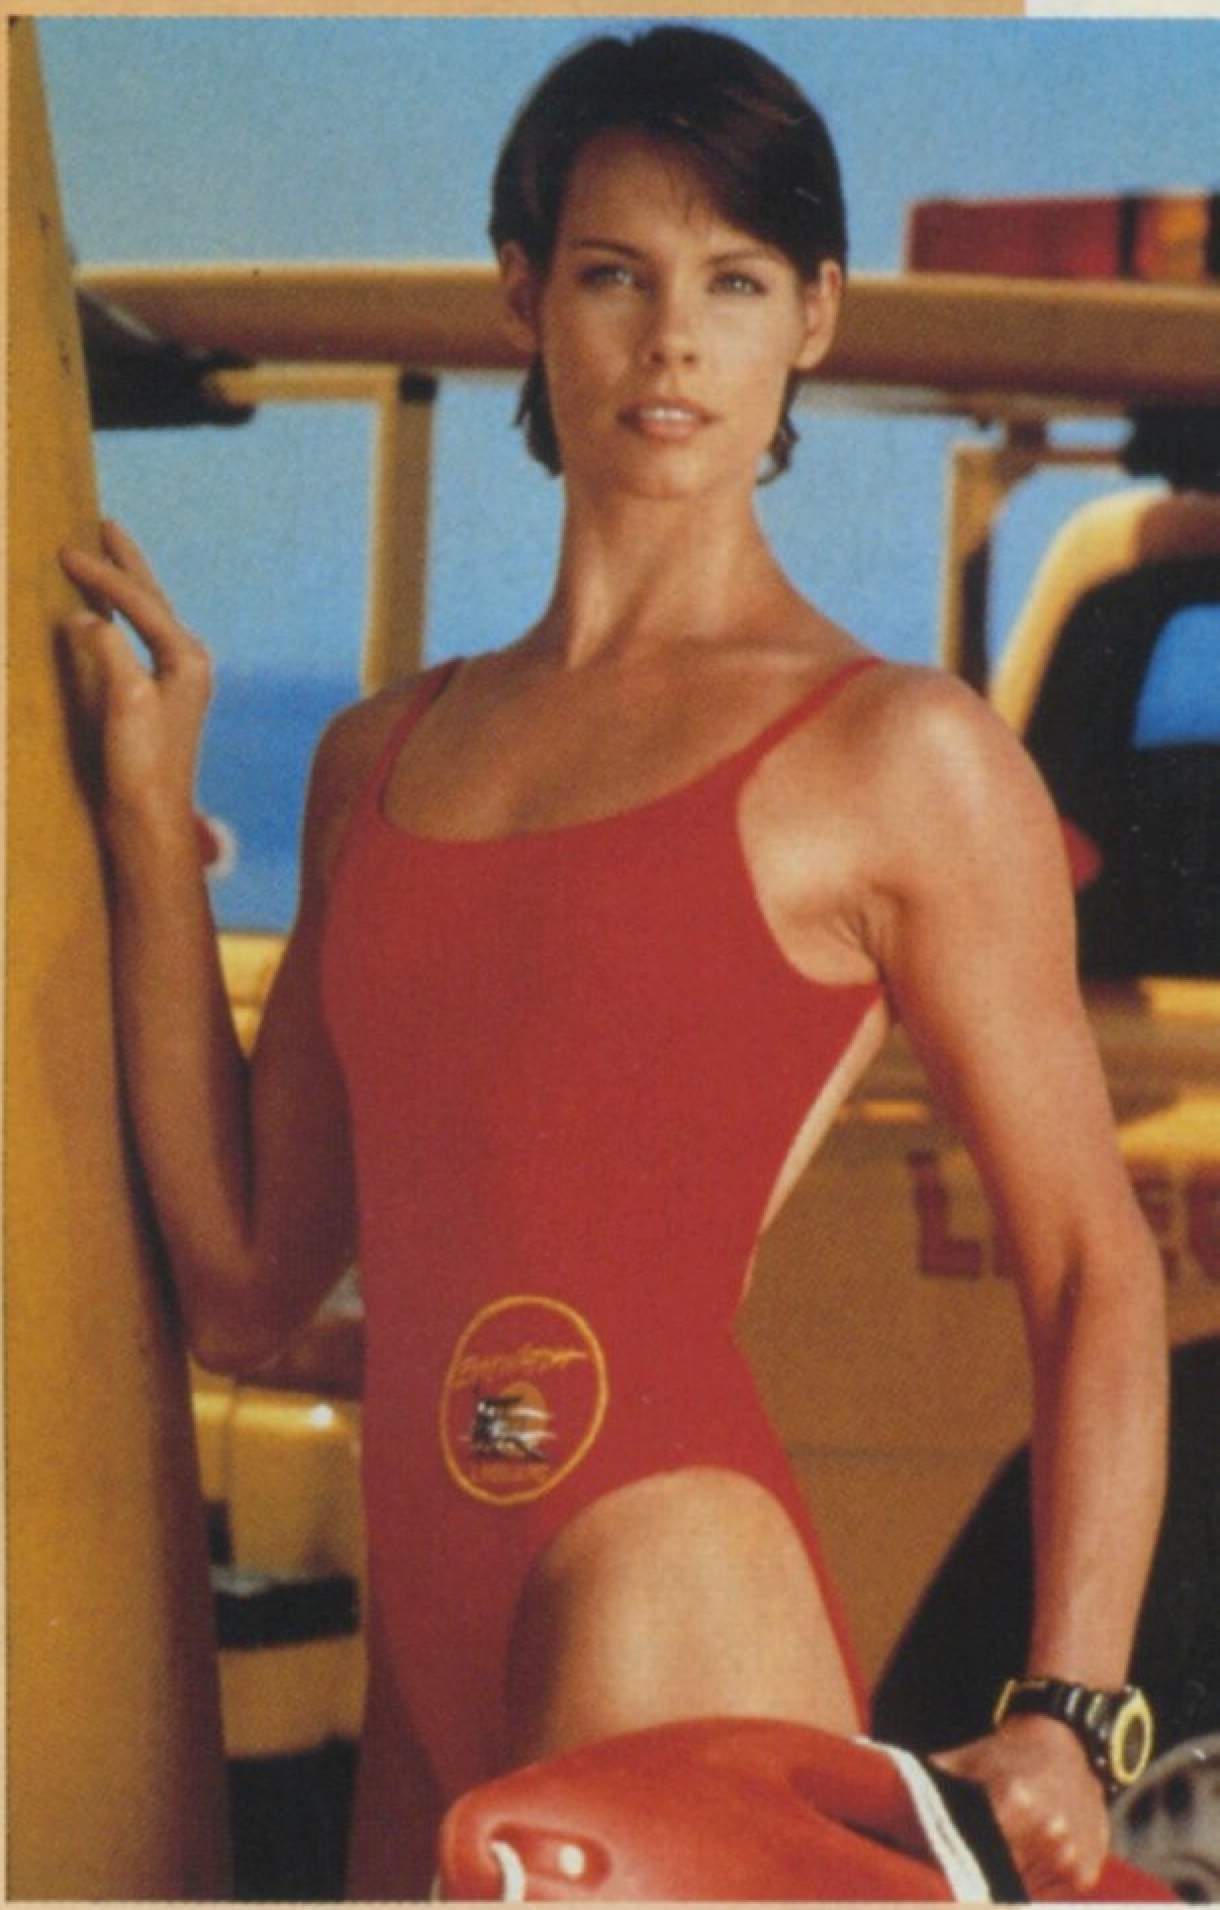
Sunset Grill: "You did say you wanted them sunny side up, didn't you?"

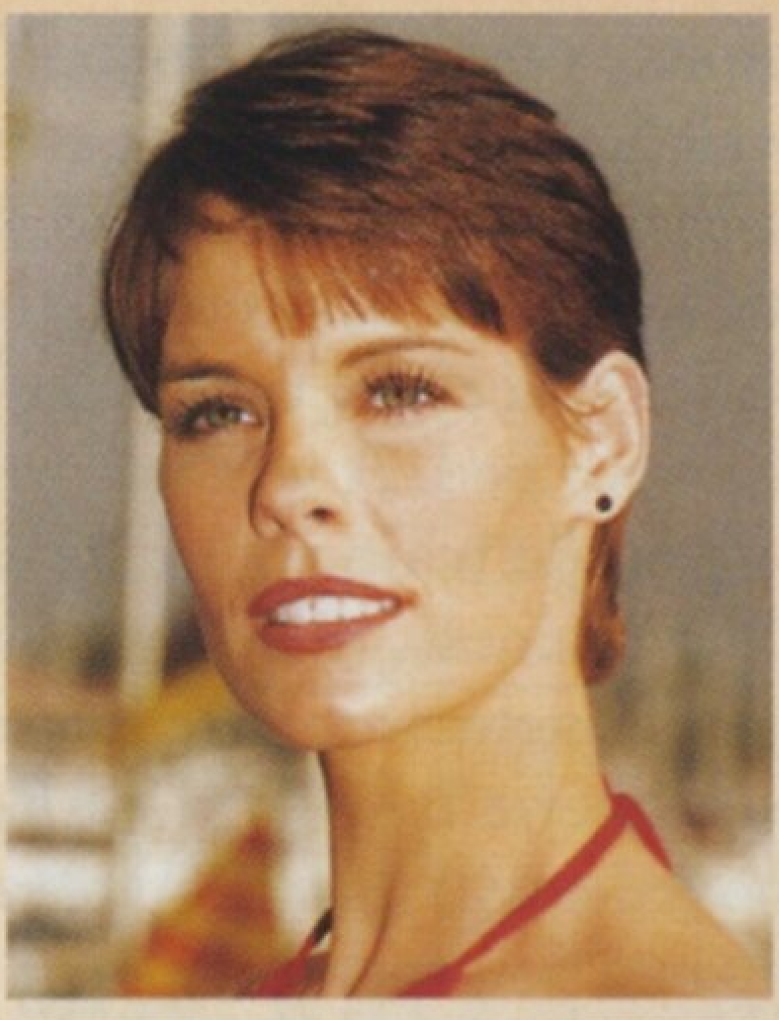


Millions: The Alexandra technique

There's more to Alexandra Paul's continued success on *Baywatch* than a pair of huge knockers and a pout. Mainly because she doesn't have a huge pair of knockers and is more likely to adopt a tight-lipped grimace in her role as 'Ms Responsible', Stephanie Holden, but also because she managed to land her role without the dubious pleasure of acting under Scott Baio! It hasn't stopped her being one of the show's most popular characters, though (with a considerable lesbian fan base) if only because her ultra-svelte frame offers something different to the other hourglass figures on display.

The real life Alexandra Paul isn't a million miles away from her screen persona, being an active civil rights campaigner, and choosing her screen roles with a little more aplomb than some of her co-stars. A former fashion model, she's appeared with a string of hunky co-stars including *American Flyers* with Kevin Costner, *Sunset Grill* with Peter Weller (*Robocop*, *Naked Lunch*) and *Eight Million Ways To Die* with Jeff Bridges. If any of the current *Baywatch* cast are going to make a transition to serious acting (no, *Barb Wire* doesn't count!), it'll probably be Alex. Which is a shame, 'cos she's the only one of the bunch with no tits…





Eight Million Ways To Die: The world's sexiest Avon lady

Amazing Baywatch Facts! Did You Know…

That the show's biggest boobs are David Hasselhof's mammoth 48DD mammaries?

That Pamela Anderson was formerly a lecturer in aeronautics at Imperial College?

That all the exterior shots are actually filmed on location in Great Yarmouth?

That the show's theme music is sung by Don Estelle (Lofty from *It Ain't Half Hot Mum*)?

That all the dramatic boat chases are done by Gerry Anderson using old *Stingray* models? And the rest of the show, for that matter?

That the 'buoyancy aids' carried by the lifeguards are really the actors' batteries, without which they don't function at all.

And finally, that our Sub-Editor has just been fired for trying to fob us off with this obviously contrived list of 'facts'.

SE

DRU

Tune In, Turn O

WHAT ARE THE RISKS? AND HOW DO THEY STACK UP AGAINST THE REWARDS? WE ASKED LOW-LIFE NARCOTICS 'EXPERT' RICO VASQUEZ TO GIVE US THE BLOW-DOWN ON THE UPPERS, DOWNERS AND ALL-AROUNDERS. DON'T TRY THIS AT HOME!

There's no way I'm gonna tell you to do drugs, man. Hell, I'll tell you straight: "JUST SAY NO!" That might surprise you, seeing as how I admit to being a total tea-head, but the way I figure it, if none of you do drugs, that's all the more for me! Many years of being completely out of my box have taught me a thing or two about the sex-enhancing properties (or otherwise) of various substances and – hey – they're not *all* illegal! Here's Rico's guide to what gives you a perky pecker and what sends your salami to sleep…

Five good reasons NOT to take illegal drugs:

1 **Er… they're illegal. You can be imprisoned for possession of 'prohibited substances' (including cocaine, speed, ecstasy and LSD). For dealing in them, they throw away the key.**

2 **They're addictive. And you'll keep talking about them, thus boring your friends to death.**

3 **They're expensive. You could buy a fanny magnet motor for what you'd pay for one months' high.**

4 **They don't get you laid. How many girls do you know whose greatest ambition is to sleep with a fucked-up junkie?**

5 **They're potentially lethal. There is nothing funny to say about this. It's just true.**

MARIJUANA

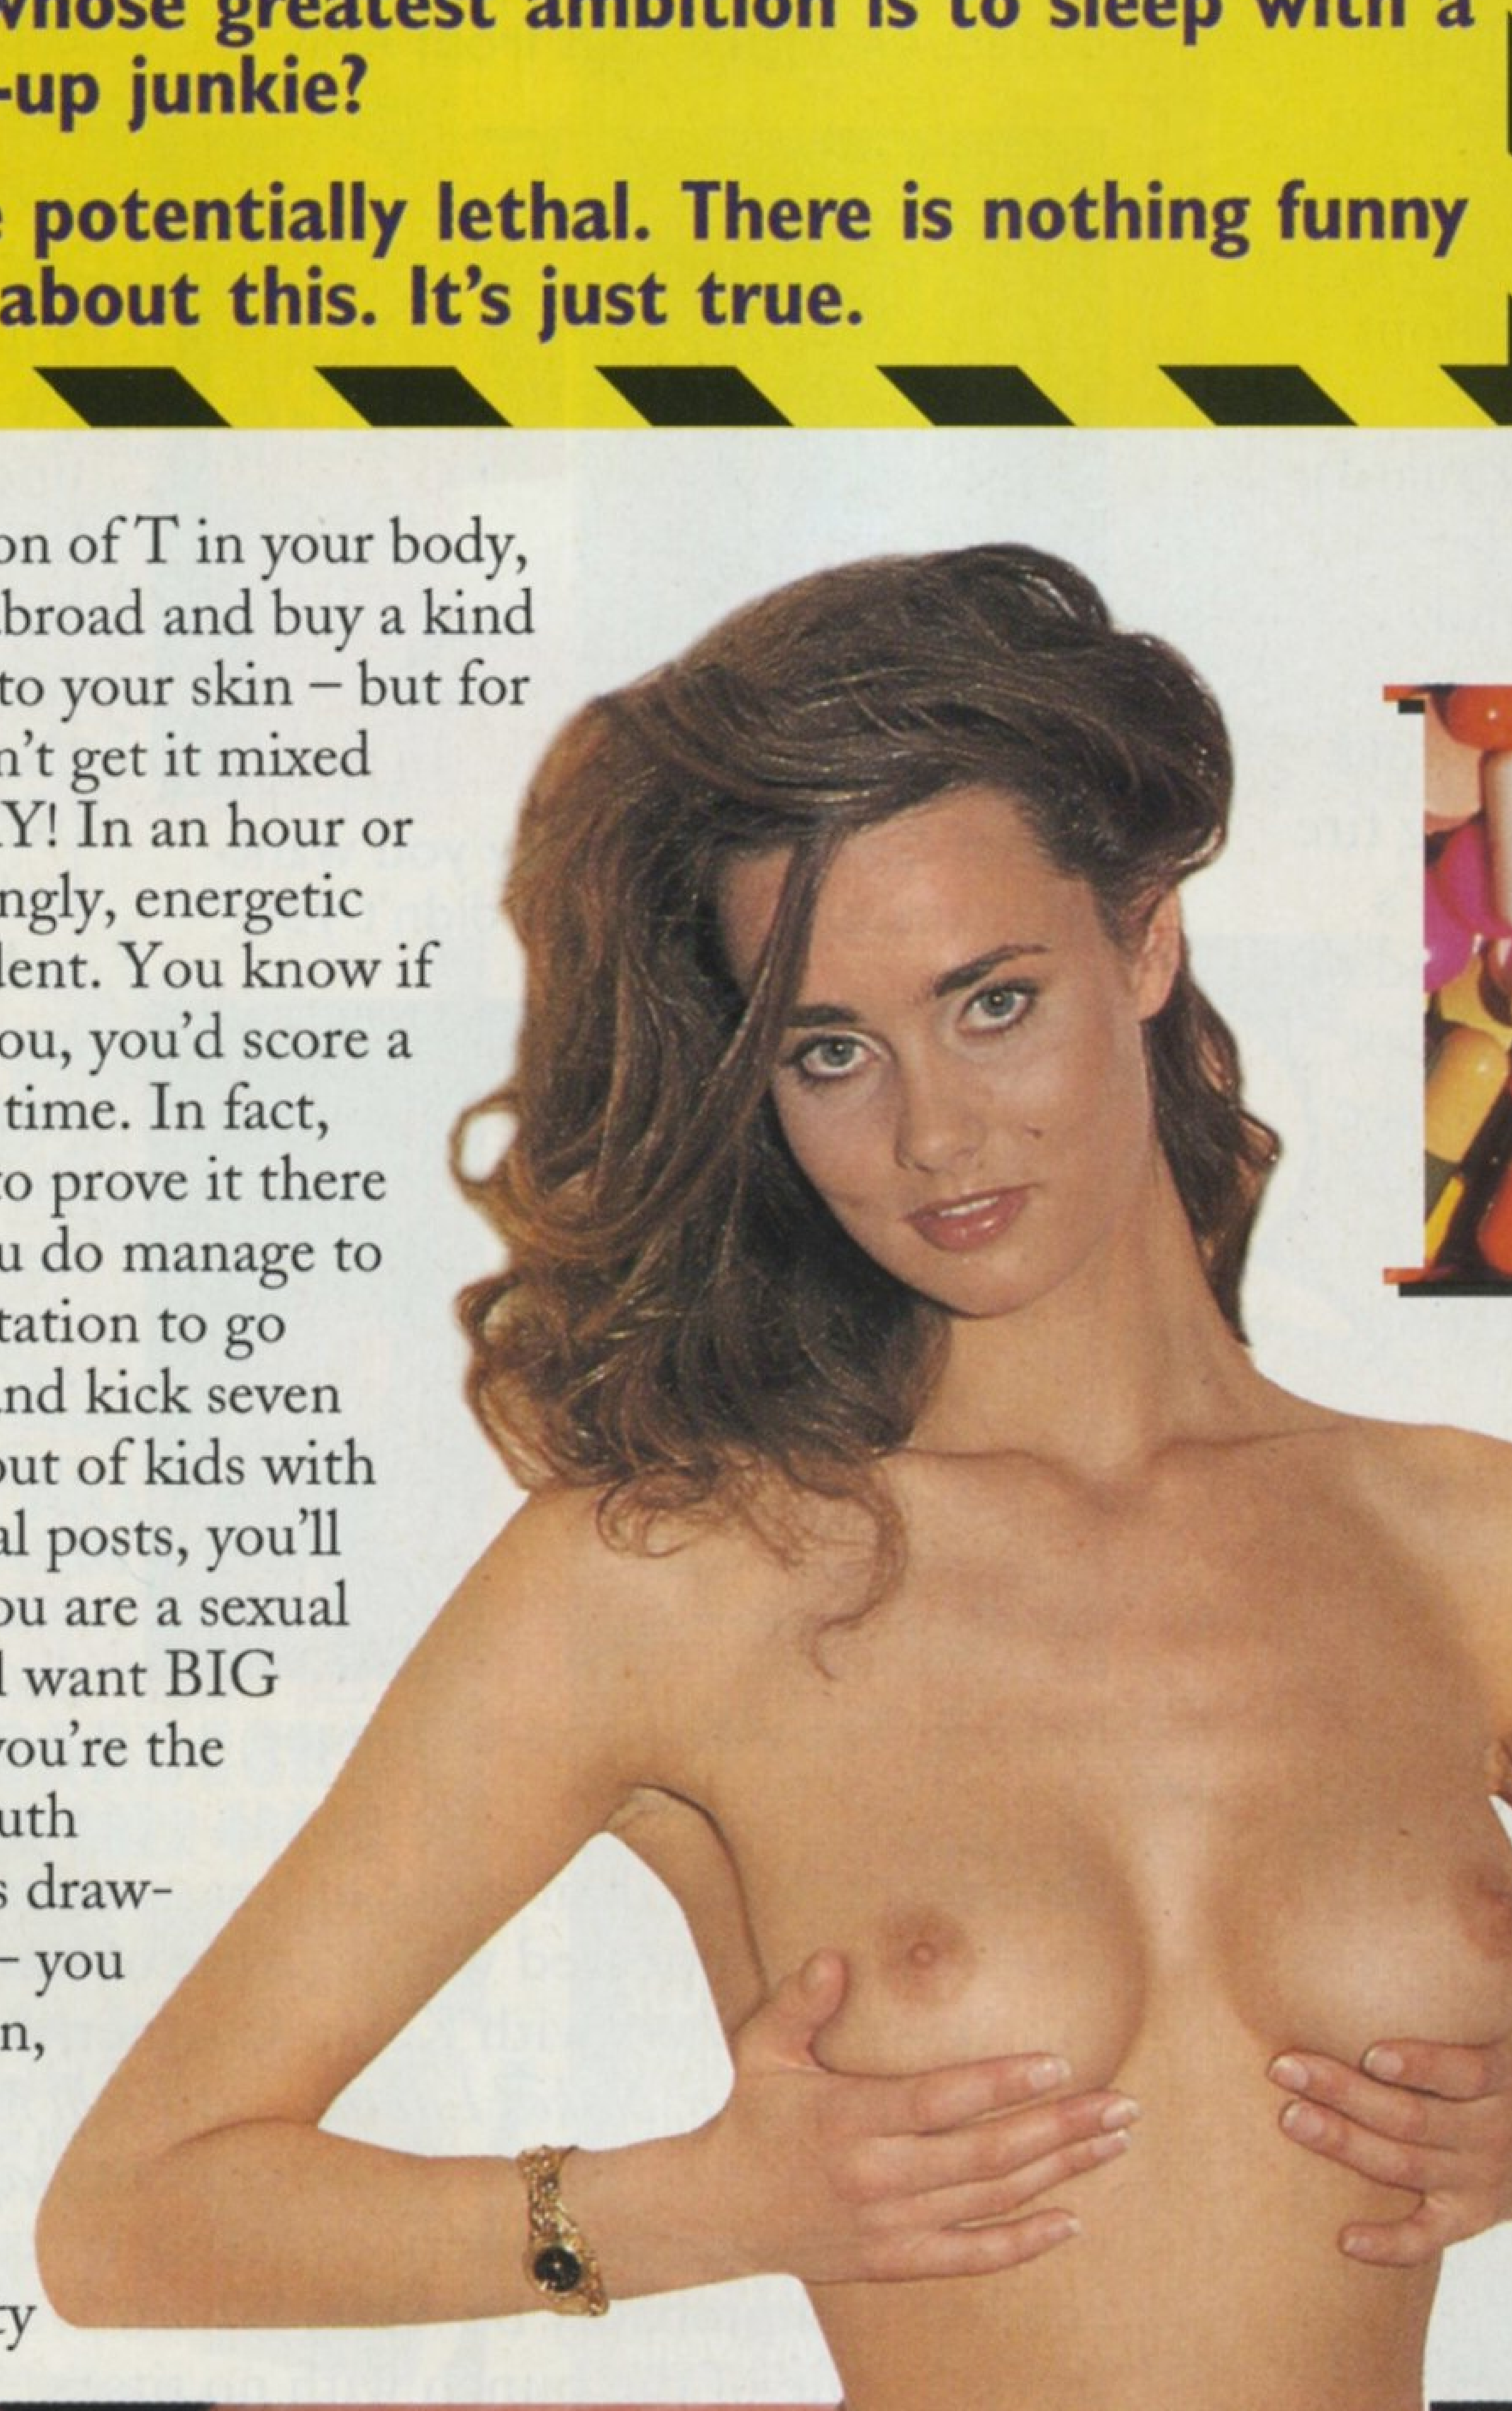
You generally end up in a similar sexual position to what you get on E: only on weed, you're too mellow, not too hyper for sex. Sometimes it can really come into its own, though. If there's a bit of tension between you and the girl you're after, like you both know you want to do it, but neither of you knows how to make the first move, pot's relaxing properties can help you get it on, and the sex is often long, slow and fantastic! Beware though – I accidentally fed hash cakes to a couple of my old aunts once, and had to spend the rest of the afternoon trying to stop them flashing their knickers at bingo.

LSD

A complete non-starter, man. You may well develop an intense sexual urge, but you're more likely to want to shaft a chest of drawers or 'the concept of space and time' than that babe on your bed. A word of warning – if you do whip your dick out to do the business, there's a good chance it'll metamorphose into a jewelled sceptre from ancient Egypt, and the babe will think you're *really* weird when you spend the next four hours performing elaborate self-worship rituals before the 'sacred staff of Isis!'

TESTOSTERONE

Yeah, I know what you're thinking: "I've got plenty of that already". Don't you believe it, amigo. You can get it in some herbal drinks that promote creation of T in your body, or you can go abroad and buy a kind of gel to rub into your skin – but for God's sake, don't get it mixed up with your KY! In an hour or two, you feel tingly, energetic and very confident. You know if Brazil picked you, you'd score a hat-trick every time. In fact, you feel ready to prove it there and then. If you do manage to resist the temptation to go down the 'rec and kick seven shades of shit out of kids with jumpers for goal posts, you'll discover that you are a sexual animal and will want BIG sex. Knowing you're the best fuck in South America has its drawbacks, though – you get so turned on, you come very quickly. The good news is that about thirty seconds later, you're ready to go again. Use it too often and you'll go bald and start to look like a Russian shot-putter. *Then* try and pull.



GHB

Its real name is Gamma-Hydroxy-Butyrate and you can get it in pow-

EX ON GS

n and Drop 'em!

der form to put in a soft drink, on the continent, if you know where to look. It takes a bit of tinkering to find the best dosage – too much and it has an anaesthetic effect, which is exactly the opposite of what you want. GHB is the best, though, as far as I'm concerned. No reported side effects, and you can get your gal to take it too for maximum effect. Tactile sensations are heightened, but so's everything else. You stay yourself, only you appreciate what you're doing more. Every nuance and feeling is smooth, delicate and absorbing, and you feel very close to each other. You will come like never before. Write to your MP and demand that it be available free on the NHS!

ECSTASY

This was branded the 'love drug' and many moons ago was given to married couples to pep bedroom events up a bit when they'd flagged. In the hands of ravers in the 'summer of love', it became something else – a pill to enhance the enjoyment of thudding beats and show gawky blokes that even they could dance. It does promote a genuine feeling of warmth and camaraderie with everyone around you, and you'll talk bollocks all night without anyone else complaining, but sex? "Hey, I've got all these mates," you'll say to yourself, "I don't need sex, let's dance!" (Do bear in mind that nobody knows what the long term effects of ecstasy are. You may feel happy right now, but in ten years you might not be feeling anything at all.)

VITAMIN K, PCP

You will get such an enormous stiffy on either of these drugs that it will spread through your entire body. At best, it'll last a few hours. At worst, it'll last forever (in which case it will be called *Rigor Mortis*). Not recommended, unless your doctor has just given you 24 hours to live – in which case there are a thousand better ways to spend your last day on earth anyway. Steer clear!

DEPRENYL

Not bad, not bad at all. Acts more on your mind than your body. You feel aroused and in the mood for sex, and you might come up with some kinky ideas you haven't thought of trying before. In a nutshell, you feel like you haven't had a wank for a good while. You know – like you feel when you realise the next issue of *Mayfair* isn't out for another three weeks…

COCAINE, SPEED

It's been said that speed is nothing more than a poor man's cocaine and, since I'm a very poor man indeed, I must agree. Both these drugs have been linked with heightened sexual activity in the national press, and it must be said that if you experience difficulty when it comes to sheer 'staying power', they might prevent you from shooting your bolt before the whores have entered! Overuse can cause tooth rot, serious personality disorders, death, and the feeling that you've had your knob stuffed into a cheese-grater for the past six weeks (so there are *some* benefits!) M

PHOTOGRAPHED BY STEPHEN K MORRIS

Personal Details
Age: *22*
Vital Statistics: *38DD-24-35*
Second Profession: *Party Organiser*
Home Town: *Denver, USA*

Reason for coming to Britain: ***To have a good time! Colorado's great for skiing, but this is where people really know how to party. I've put on more than a dozen shows in the year I've been here, and every one of them's been a success. If you hear someone say "party" and "Landon" in the same breath, just make sure you've got a ticket!***

Best Party: ***It's always the last one! About two months ago, I booked a stately home, hired two dozen go-go dancers and installed a huge PA system. Four thousand people turned up, it was just dancing bodies as far as you could see, and the fun didn't stop until eleven o'clock the next morning. A good, pumping beat is the best aphrodisiac in the world.***

Worst Experience: *The police turned up once with some piece of paper to try and shut us down, even though we had permission to be where we were and we weren't disturbing anyone. I got called outside by them, and they said we had to leave. I grabbed the piece of paper, looked at it carefully and told them it had just gone midnight, so the date on it was wrong! They left.*

Worst Habit: *I just can't believe what small portions you guys eat over here. Every time I go out to eat, I wind up asking for more. Back in Denver, we have more for breakfast than the British eat all day! I guess it's because I burn off so much energy when I'm dancing and worrying about the arrangements for my parties.*

Most Erotic Experience: *Last summer I organised a party in a huge marquee in Suffolk. It was a beautiful, warm evening and everyone was really dancing well, but drenched in sweat. It totally turned me on and I knew I had to get some hard-on action, so I joined the crowd and started bumping up against these guys. Before long, there were half a dozen of them following me around. I led four of them outside – the other two wimped out – and we snuck into the catering tent. I told them it was my party and they had to do what I said, ordered them to strip naked, get in line and give me some serious dick. I swapped them around when the music from the DJs changed, which is the best kind of mixing ever!*

ON THE

Ian pulls a right old dog…

The plan was simple – allow the pull crew to select their own venues, visit each in turn armed only with a pocket camera and £150 in cash, then try to get off with as many girls as possible. They'd have gotten away with it, too, if wasn't for those pesky students!

As the same swanky Italian restaurant zips past the taxi's window for the third time in ten minutes, our driver for the night, 'clever' Trevor, has a brain wave. "We'll try Westbourne Park *Grove* Road instead" he says, pulling the cab into a highly illegal – but well executed – U-turn.

We're looking for The Westbourne Tavern, Jimmy B's chosen venue and the place where this evening's antics are scheduled to begin. Trouble is, Jimmy has given us a dodgy address, and we can't find the pub.

Over the phone, Jimmy had spelled everything out in detail: "It's a top boozer with loads of different beers, and this girl from the marketing department is having her leaving do there tonight," he enthused.

"She's a great laugh, and her mates always get their tits out when they're pissed!"

Sounds promising, and images of nubile office workers in various states of intoxicated undress pervade the collective sub-conscious of the cab's occupants.

Without warning, the fabled watering hole appears before the cab like a celestial vision, so we pile out of the taxi and make idiots of ourselves trying to be first through the doors. Much swearing, pushing, laughing and general tomfoolery later, and we're in! Wahey, this is going to be… er… hang on a minute…

Twenty pairs of eyes swivel disdainfully in our direction before the smartly dressed patrons resume their muted conversations, and the irksome interruption to their evening's wheelings and dealings is snootily ignored. Jumpin' Jesus! We've landed in a toffs' hostelry by mistake! Where are the shit-faced Sharons flashing their la-las? And, almost as importantly, where the hell is Jimmy B?

They're Coming

Emerging sheepishly from the bogs, Jimmy B flashes his trademark smile and wanders over. "Now I know what you're thinking," he smarms by way of welcome, "but trust me. The girls will be along any minute, and they're already half pissed. I left them in the pub across the road from the office about half an hour ago, they'll definitely be here very soon – I promise."

So, trendy drinks are drunk, cheap cigarettes smoked by the dozen and sneering glances exchanged with the Tavern's toffy-nosed patrons. Bravely, computer nerd Ian approaches the only three women in the place and tries his luck:

"Hello girls," he begins, but gets no further than "may I introduce myself…" before all three shred his libido with razor-sharp looks of disgust. "I was only going to offer them a drink," he whines on returning to the table. "By the way they reacted you'd have thought I was about to dip my dick in their daiquiris!"

Finally, a commotion at the door heralds the arrival of Jimmy B's promised party of lithesome office workers, who stumble in and immediately make for the bar. "I'll get these in!" cries Jimmy, springing to his feet and approaching the main gaggle of girls, "Who wants what?"

The round costs him the best part of £30, but Jimmy's largesse is legendary and he can't change the habit of a lunchtime. The ploy works, though, as before anyone else has had a chance to get on first-name terms with the girls, Jimmy is holding court over the three best-looking (and most inebriated) ones, and is making mucho macho headway.

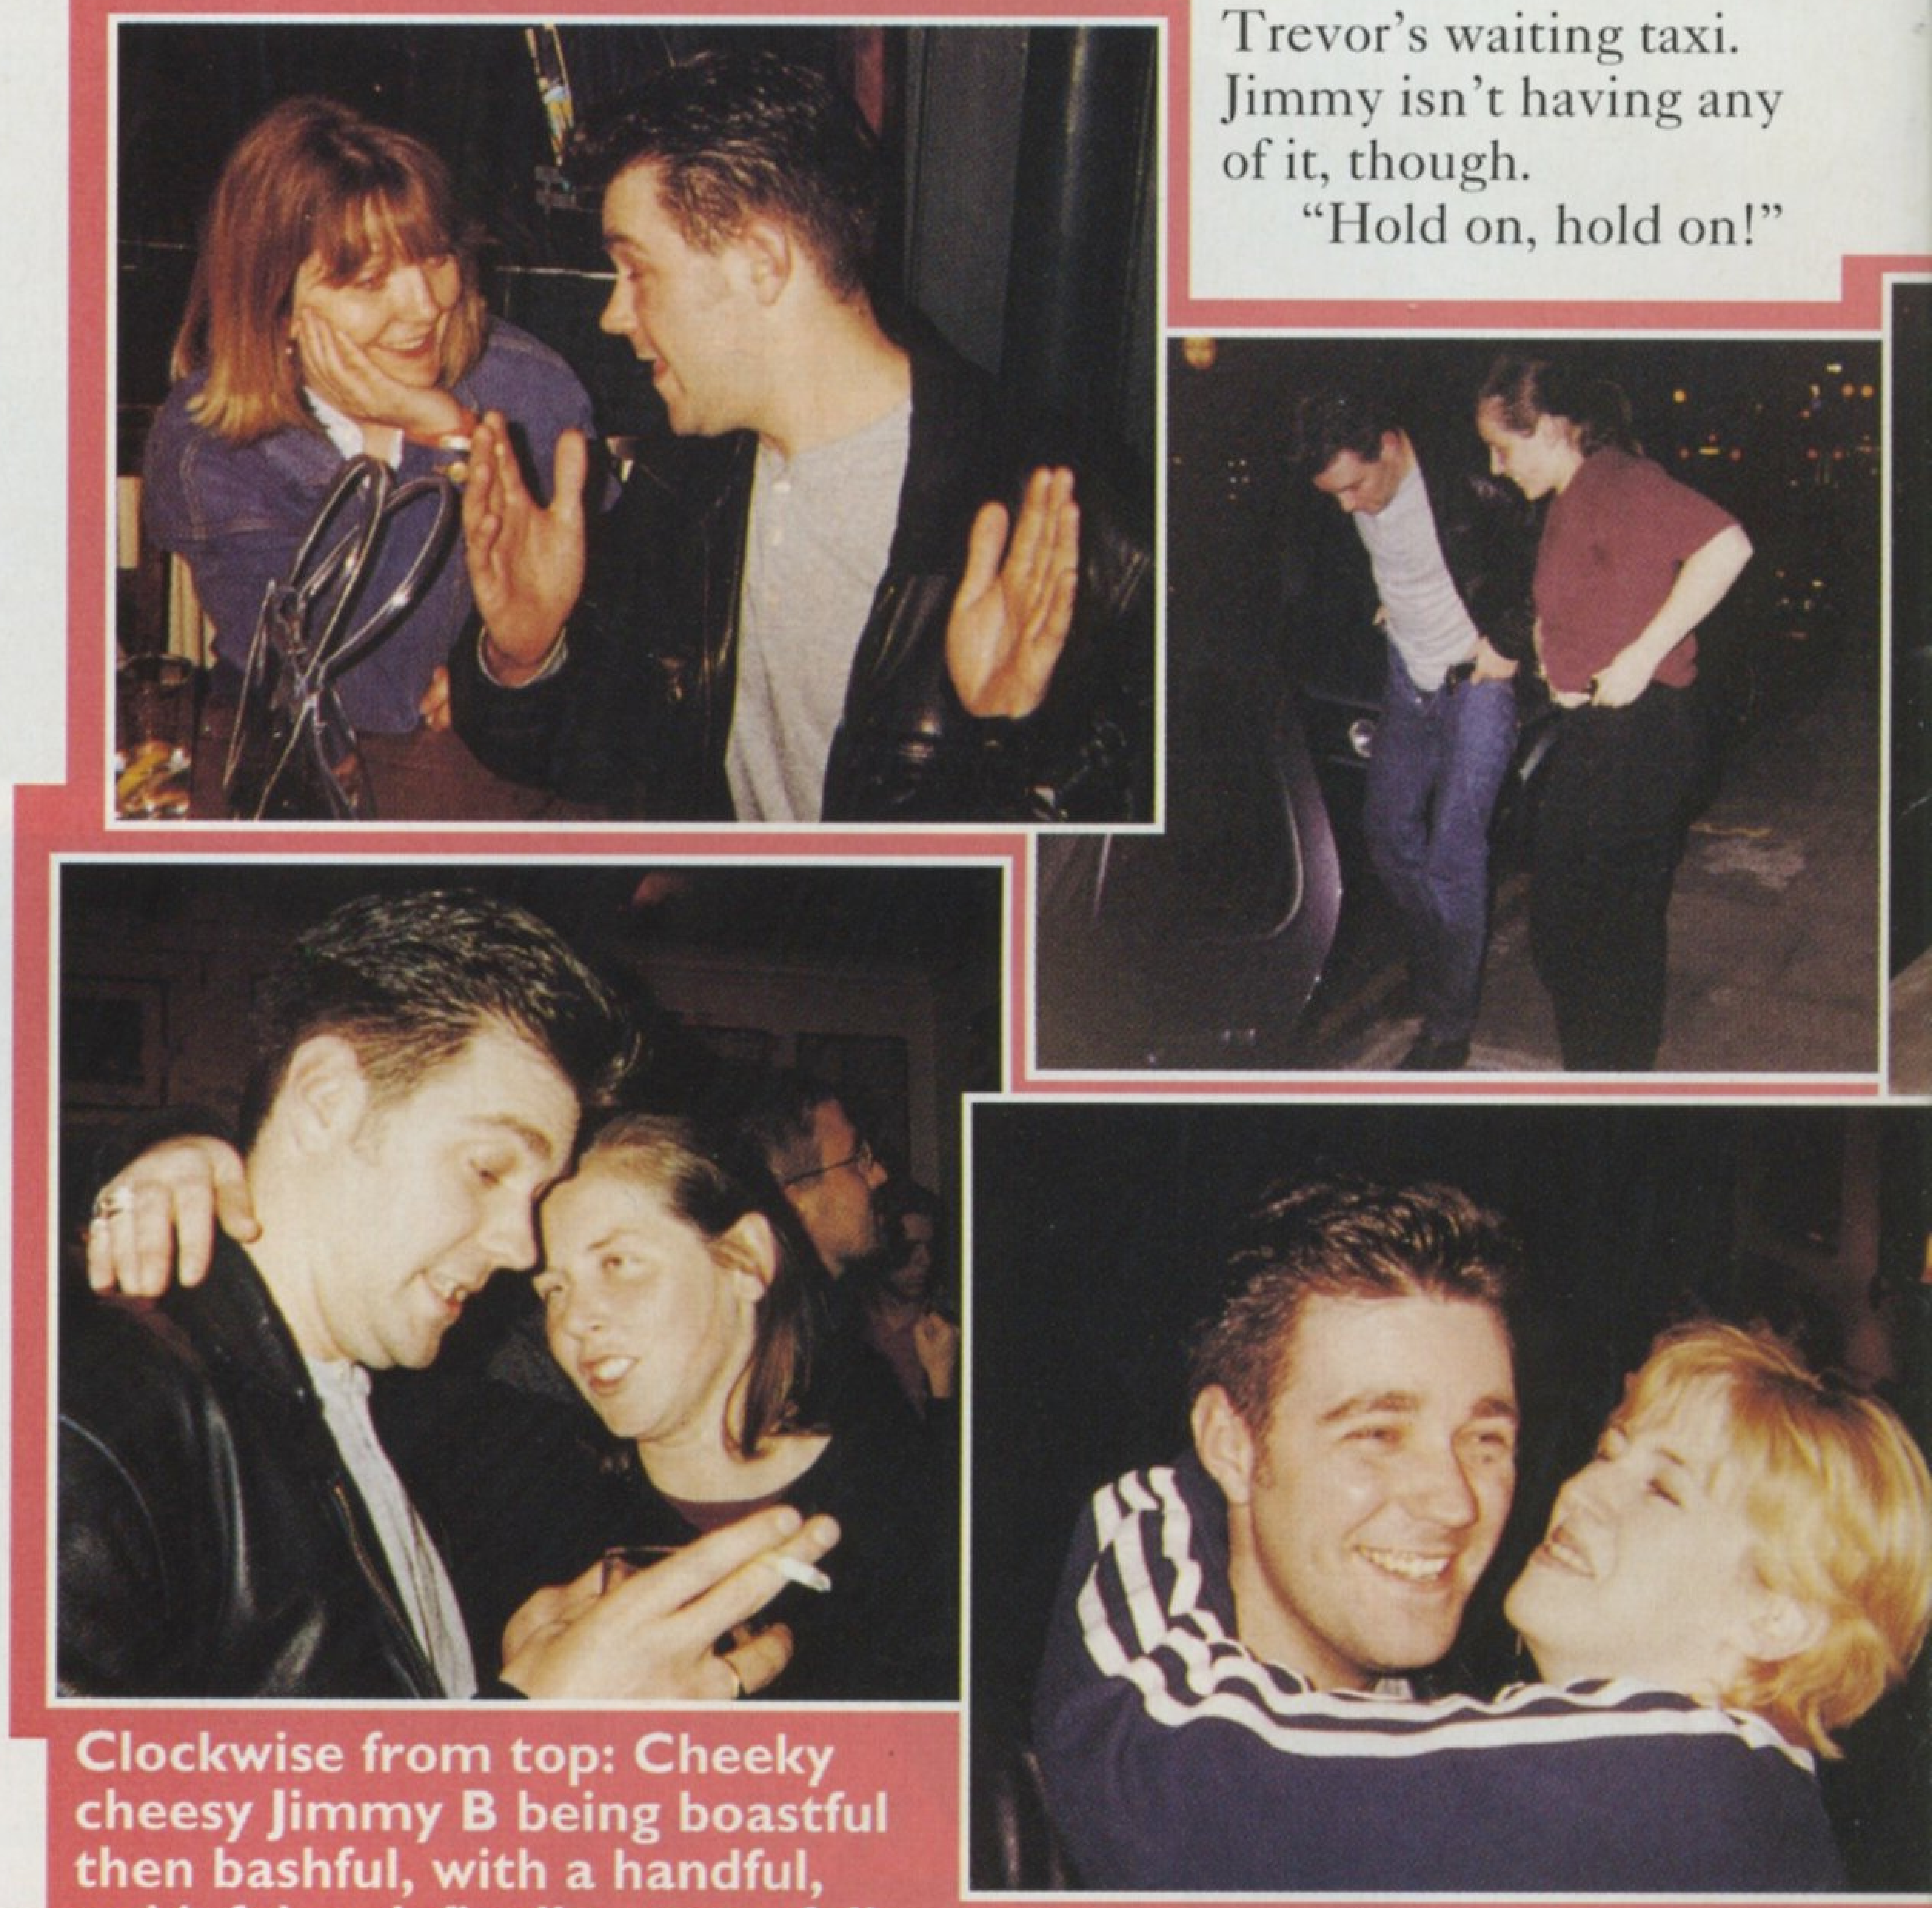
Sadly, both Ian and Pricey are left out of the running as the smarm-meister goes to work.

"Bastard," grumbles Pricey. "Lucky bastard," intones Ian, "Let's go somewhere else. The rule was an hour and a half in each location, and we've been here nearly two already."

Hoisting Jimmy B physically from his chair, the downcast duo attempt bundling him out of the boozer and into Trevor's waiting taxi. Jimmy isn't having any of it, though.

"Hold on, hold on!" he hollers, "I promised Samantha I'd show her my new car!" And, with that, he wriggles free and grabs the sozzled Samantha by the arm. "Come on outside," he whispers. "I've got the GTI parked round the corner…" And amazingly, she allows herself to be led away. What a guy!

The last we see of Jimmy B before Trevor floors the foot-pedal and whisks us off to pastures new, is his cheesy grin just visible above the dash-board of his shiny new Golf GTI. Ah well, one down, two to go…



Clockwise from top: Cheeky cheesy Jimmy B being boastful then bashful, with a handful, a skinful and, finally, an earful!

PULL

ALL MOUTH AND NO TROUSERS

"Look, it's got alloy wheels. Bend down, you'll see 'em better. Wahey!"

Jimmy B getting into some serious auto-erotica

"So, are you a regular visitor to this establishment?"

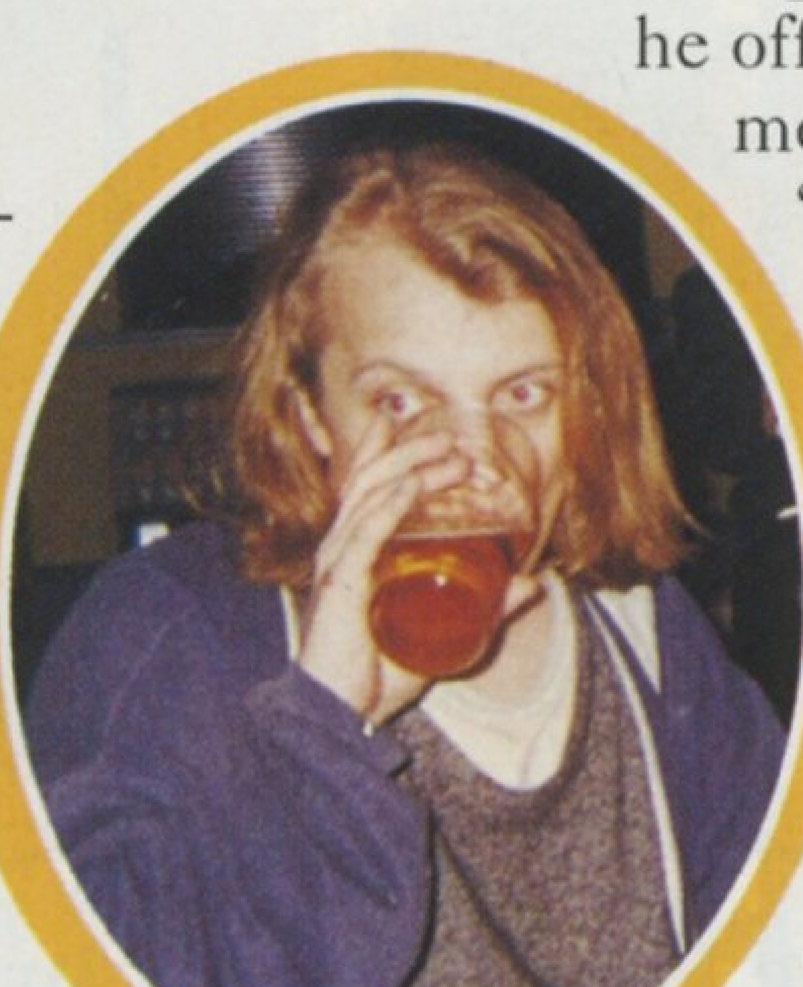
Ian Tindale tries a new slant on the old 'come here often?' line

"Honestly guys, you should see this place on Saturdays – it's jumping!"

James Price digs himself a deeper grave at the student union…

Oooh! Foxy Ladies!

Having arranged for Trevor to pull the cab up outside in precisely 90 minutes, Pricey and Ian shuffle below the gaze of a Neolithic bouncer and enter The Intrepid Fox. The pub has been widely regarded as THE place to see and be seen by any and all aspiring goths, punks, freaks and weirdos since the mid-70s, and this evening proves to be no exception.



Mohawks mingle with rubber-clad vamps as the sound system pumps out a medley of mind-numbing numbers by the likes of Metallica and Motorhead. Shouting above the din, Ian motions Pricey over to a vacant table, and immediately the pair fall into conversation with the only 'straight' looking girls in the whole place.

It transpires that the group are on holiday over here, and hail from destinations as diverse as Croatia and Norway. What with the language barrier and thunderous rumble of heavy metal hits, conversation proves somewhat difficult (if not impossible).

"You're a *what*, did you say?" Pricey screams at the bemused back-packer he's latched onto. "Oh, I see! An 'exchange student'! I thought you said 'deranged prudent'!" The girl's eyes widen as she stares in disbelief at Pricey's shabby countenance, but undeterred the lad continues with gusto:

"So, anyway, how'd you fancy a ride in a genuine London taxi?" he offers, with a magnanimous wave of his hand. "We've got one picking us up from here in just under an hour, I could show you what a British student union bar is like. You'll love it!"

Strangely, the lure of Stratford College's student union bar fails to elicit the desired response and, after suffering a full hour of awe-inspiring bullshit, the girls grab their bags and go to leave. Ian is beside himself with grief. "But you can't go!" he wails at the retreating figures, "I haven't shown you my disappearing condom trick yet!"

But alas, the girls can't be swayed and Ian's latent talents in the conjuring department must wait for a more appreciative audience. Suddenly, Pricey's student union bar isn't looking like the grim prospect that it appeared to be at the start of the evening…

Cheap Beer, Girls Free

Once again, Trevor elects to stay with his cab rather than join us for a cool glass of Kaliber, and assures us he'll still be there if we're unlucky enough to require his services further – the plan is to cop off with a couple of impressionable students, and spend the night shagging merrily away on their futons (or whatever it is strapped-for-cash students sleep on these days).

Disappointingly, the student hang-out resembles nothing more than a Berni Inn, complete with dinky tables and polished brass fittings. Eh? What's going on? We were expecting piss-stained upholstery, brainless rugby types throwing up copious amounts of Tetley's Bitter and, of course, hordes of desperately poor student girls on the lookout for a free drink. And what do we get instead? A sour-faced bartender with a hygiene problem, a ghastly 'live' band (playing cover versions of dreadful soul songs) and not even *one* remotely attractive young filly in the entire place!

Leaving a suitably chastened Pricey to feed pound coins morosely into the bar's unimpressive driving game, Ian slopes out to the car park.

"Christ, get me out of this dump," he sighs, wrenching the passenger door open with rather more force than necessary.

"No luck here then, either, guv?" chirps Trev, twisting his key into the ignition and gunning the engine. "Where to now then?"

"Home, please," Ian mumbles, before flinging his unopened packet of three through the taxi window.

"Next time I'm going to suggest to the Ed we try doing the feature in a brothel. Mind you," he adds with a pitiful shrug of resignation, "the way I feel after tonight's disaster, even if we did the feature in Cynthia Payne's back bedroom I doubt I'd manage to pull anything other than my plonker."

Sadly, he's most probably right…

Ian tries palming a Croatian backpacker off with a load of old guff about meeting a "short, dark stranger…"

"Come on, girls," begs Pricey, "make it look like you fancy me and I'll buy you both a drink…"

THINK YOU'RE UP TO IT THEN, DO YOU?

Uppers:
"I feel proud of being there – and what's more, it's helped me get into television programmes like *Top Of The Pops*, *London's Burning* and *Paparazzo*. Topless modelling has done me a lot of favours."

Downers:
"I came home one day to find my jealous ex-boyfriend had burnt my portfolio. Also, my auntie's really religious and thinks I'm 'disgusting', although the rest of my family are really proud of me."

Uppers:
"I was travelling all around the world meeting lots of different people, and Page Three certainly set me up well for what I do now."

Downers:
"It wasn't really 'me', I'm more of a homely person, but with Page Three it was a matter of being out at parties all the time to be 'seen'. I always used to meet these guys who just wanted to have me on their arm. Other men seemed to feel intimidated."

Uppers:
"I was earning loads of money, but blew it all – as one does when one is young and stupid! People made something of a celebrity of you – as if you were something wonderful, which all took a lot of coping with. I don't regret any of it, though, because it has made me the person I am today."

Downers:
"I started to drink heavily and hit the night clubs where people were taking things like cocaine. By the time I was 19 I was very ill and at 21 I went into my first treatment centre for addiction. I truly believed the only way out was to kill my boyfriend and myself – he had to hide all the knives in the house after I stabbed him!"

How It Happened:
"I went to London College of Fashion for fashion modelling, but things didn't work out because it is such a cut-throat market. I had a good bust and thought I may as well go and make use of it!"

Uppers:
"Five years ago I was doing personal appearances for £1,000 about once a fortnight. Later, one of the writers working with Harry Enfield wrote me into one of his TV shows and it all took off from there."

Downers:
"People used to ask where was my flashy car and house in Chigwell and all that – I didn't like to tell them what I had left after £100 for two hours' work, less tax and my agent's fee! I don't think you can live on what you earn unless you are mega busy – Page Three isn't what it used to be…"

Uppers:
"I wouldn't have got as far as I have had it not been for Page Three."

Downers:
"It took about six years to live it all down. I've had to prove myself by losing my Page Three tag and no longer being regarded as just a bimbo."

How It Happened:
"Naturist modelling got me into making films for naturists, which in turn led me into presenting. Naturism is a good thing and a family movement, whereas I don't think Page Three is real news and so shouldn't be in a newspaper."

Uppers:
"It certainly changed my standard of living, since before I was unemployed! My income rose drastically to anything from £500 to £1,000 a week. I thought it would be a nice way to meet people, travel the world and earn money – and it was!"

Downers:
"Some people can be nice to your face but slag you off behind your back. There were also the ones who thought nothing more than you were 'game for bedding'!"

Reason For Modelling: ***I just enjoy it! I'm a bit of an exhibitionist, and I'm proud of my body, so I thought I might as well get paid to show it off to men, or I'm likely to do it for nothing! I want all the chaps at work to get a good look at what they're missing, as well! They've been telling me I'm a bit of a prude and much too career-oriented, so with a bit of luck, this is going to come as a real shock to them…***

Dream Date: *That chap in the Diet Coke advert. Phwoarr! It's a shame there aren't any builders near my office who look like that, or I don't think I'd ever make it to work on time.*

Worst Experience: *Getting stuck on a cliff-face when I went on an outward bound course. We were supposed to climb up to the top, but halfway up I made the mistake of looking down and just froze! It took three instructors to get me back down. Those courses are a load of old rubbish, anyway!*

Most Erotic Experience: *I'm going to let the cat out of the bag, and I don't care how much trouble I get into. Are you all listening, guys? Remember that day when we had a big delegation of people in the industry over for a conference? And how I kept leaving the hall during the presentation? Well, I'd got talking to an absolute stud from one of our main competitors (you all know which one) and we decided to get it on instead of listening to all the dreary speeches. We sneaked into my office, locked the door and had a good fuck. He had me on my desk, up against the filing cabinet and on the floor. I sucked him off after I'd tied his hands together behind his back with his Ralph Lauren tie. When we finished, we went back into the conference until we felt like another one, then sneaked out and did it all again! And all the time you were listening to some boring old twits rambling about Peps and pensions. So who's all prim and proper now, then, losers!?*

HUMPING THROUGH HISTO

Warwick Hunt vows to explore human sexuality in a single night, armed only with a wild imagination and some rather weird props…

My legs were about to give way, I fought for breath and my body was soaked with perspiration. I couldn't hold on any longer, I was going to drop it at any moment, then… yes! Home at last. Blimey, those library books are heavy!

From the *Kama Sutra* to the works of de Sade, the sum of human sexual experience was stacked on my coffee table. After a fag (tobacco was thought to inflame the passions) and a coffee (ditto) I settled down for some research with a pack of Kleenex. My girlfriend wouldn't know what had hit her!

A few days later, I was ready. The props were under the bed and I knew the subject inside out.

"Help me out of this, will you?" Melissa asked, fiddling with her back-fastening bra.

"Gladly," I replied, "though this is nothing compared to what the wives of the crusaders had to put up with. They'd be locked in chastity belts while their hubbies were away. Not really fair when you consider that the fighters for the Holy Land had a reputation for rape and orgies."

I was taken aback when she added: "Many cultures have used similar measures. For instance, the eunuchs of ancient Greece and Egypt were castrated so they wouldn't get any ideas while they took care of the vestal virgins. Updated chastity belts are popular among fundamentalists in America's 'bible belt'."

Ve haf vays of making you talk, Englisher schweinhund Herr Hunt!

Something was wrong here. Maybe she picked it up watching *Richard And Judy*.

Looking at her body beside me on the bed, I decided the time was right. One hand felt for my first prop while the other groped somewhere a bit warmer. She was already turned on as I brought a penis-shaped object into sight.

"This is a sculpture found in a Glastonbury church," I explained. "Many churches were built on pre-existing pagan sites. These statuettes may have been used in fertility rites," I added, slipping the thing inside her.

"I bet they warmed them up first, though!" she squealed.

Shell-Shock!

Before long, we were both into it. I decided to save my research for another time and concentrate on the business in hand.

"Hang on," she said. "The popularisation of the pill in the Sixties led to sex for pleasure being a possibility for many women for the first time. Modern trends are towards safe sex. Put a condom on first."

"I don't have any!"

"Then try this," she said, pulling a device that looked like a brown dildo from her side of the bed. "It's a tortoise-shell condom from ancient China. They were very popular and, unlike modern condoms, were re-useable."

"What's going on?"

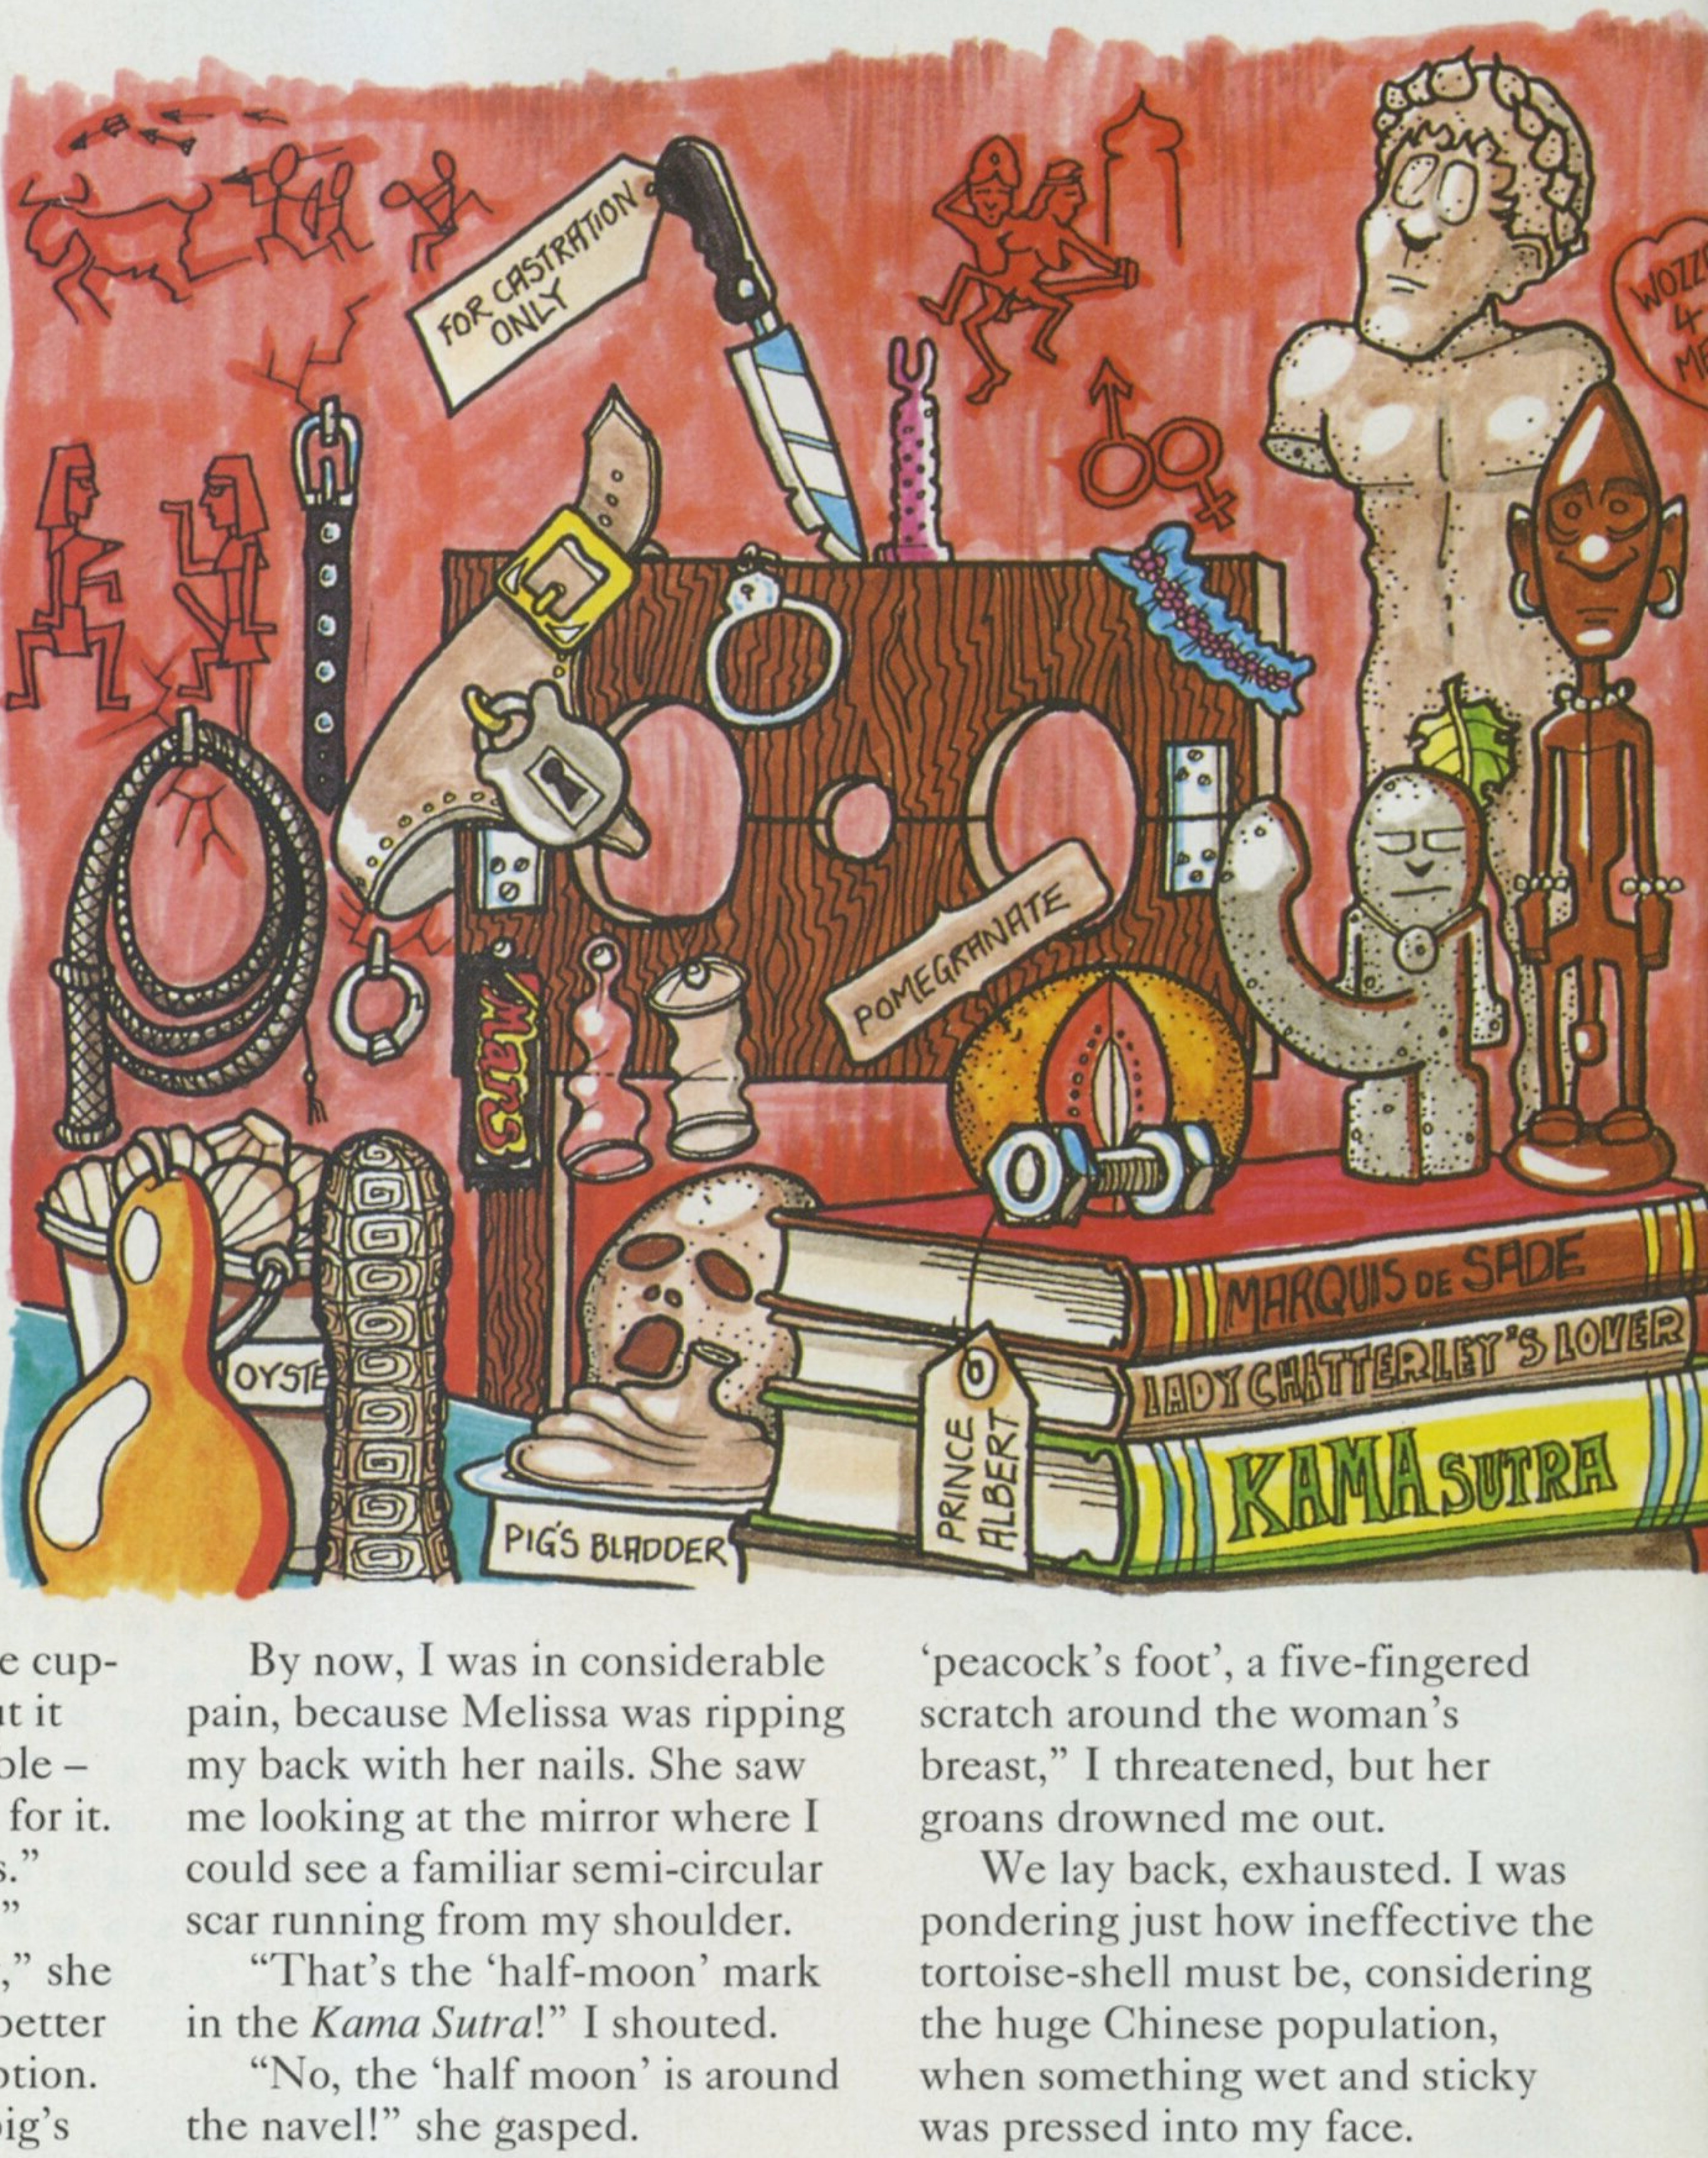
"I found that pile of books you were hiding in the cupboard. Fascinating! Now, put it on, but be careful, it's valuable – I sold the dishwasher to pay for it. I've got you some dishcloths."

"I'm not putting that on!"

"Consider yourself lucky," she barked. "This is one of the better attempts at barrier contraception. In the eighteenth century, pig's bladders were popular when men visited bordellos. Today, kids in countries where condoms aren't available use sweet wrappers. Do you want a shag or not?"

Sensitivity was zero, but there was something kinky about possessing a twelve-inch shaft, and Melissa was enjoying it. She came loudly, but ordered me to carry on.

"That's the trouble with a Chinese – half an hour later you want another one," I sighed.



By now, I was in considerable pain, because Melissa was ripping my back with her nails. She saw me looking at the mirror where I could see a familiar semi-circular scar running from my shoulder.

"That's the 'half-moon' mark in the *Kama Sutra*!" I shouted.

"No, the 'half moon' is around the navel!" she gasped.

"Maybe we should try the 'peacock's foot', a five-fingered scratch around the woman's breast," I threatened, but her groans drowned me out.

We lay back, exhausted. I was pondering just how ineffective the tortoise-shell must be, considering the huge Chinese population, when something wet and sticky was pressed into my face.

"Christ, let me catch my breath first," I mumbled.

"Eat this," Melissa instructed. "The Greeks regarded the pomegranate as an aphrodisiac. They noticed a resemblance between an opened fruit and the female genitalia, as Pliny the Elder noted."

I'd barely had a chew when she lead me across the room to a mahogany table I hadn't noticed. "What did you sell to buy *that*?"

"You've got a bus pass, haven't you?" was her cryptic response.

"These were popular with wealthy Victorians…" she began.

"But they would have been

shocked by the table legs," I interrupted, "in case it reminded them of real legs. Ladies often fainted in front of nude pictures, and Michelangelo's famous statue of David had to have a bronze fig leaf attached to it."

Royal Albert Ball

"But sadistic sex was known as 'le mal Anglais,'" she retorted. "Don't forget where the term 'Prince Albert' comes from. Piercing was not uncommon among members of the Prussian 'Junkers' classes. As modern fans of piercing will tell you, it heightens sexual pleasure. That's why Victoria looked so miserable after Albert died." She pressed a lever under the table and one end slid down to turn it into – bondage stocks! She got me into position behind it by grabbing my cock, tied me down and left.

A few minutes later, she appeared in a mink coat, carrying a whip. I winced, because my cock was rapidly expanding, but mainly at the thought of what she must have sold to afford the coat. But I was in no position to argue.

"You look incredible," I said.

"Silence!" she ranted in the worst German accent I've heard. "I am dressed as Sacher-Masoch's *Venus In Furs*, in which he describes the mixed sensations of pleasure and pain, giving the world 'Masochism' – you worm!"

"Get on with it," I yawned.

After twenty strokes, I shot my load. Not bad! I waited for her to release me.

Low Boredom Thrashold

"Not yet," she said, reading my mind. "Depictions of sex are as old as humankind. Cave paintings have been found showing ritual orgies, and the first subject for any new medium is sex. For instance, printing, film, the Internet…"

You'd never think you could possibly fall asleep while strapped into a kinky contraption as a naked woman in furs talks dirty in your ear, would you? I did.

Best Holiday: ***Last winter, I went skiing for the first time in the Swiss Alps. I couldn't believe how easy it was – much easier than the dry slopes I've been on at home. It doesn't hurt so much when you fall off into the snow, either. This year I've saved up for a safari holiday in Africa, which should be even better.***

Phobias: ***I can cope with any kinds of creepy-crawlies, but as soon as I see a spider, I go to pieces. I met one of my boyfriends when I went out on the pull just to find someone who would come back with me to get one out of my bath!***

Favourite Position: ***It's not so much a position as a location – I'm addicted to making love on the floor! Bouncing up and down on a soft bed is alright, but if you want a really good, deep fuck, you need some hard floorboards underneath you! That way you get to feel every inch of cock properly.***

Favourite Clothes: ***I don't really like getting all dressed up. Give me a pair of Levi's, a baggy sweatshirt and some Converse trainers and I'm happy. Besides, if you're all strapped up with buckles and lace, it takes you ages to get your kit off! When I'm in the mood to get naked, I don't like to hang around…***

Dream Date: *It would have to be with someone mature and intelligent, who I'd feel could teach me a thing or two. A man like David Frost who's used to travelling the world and meeting important people.*

Favourite TV Show: *I like watching those programmes that use videos of people speeding and driving very badly. I know they're really tacky, but they're fascinating. I'm scared I'll see myself on television one day – my friends say I'm probably the worst driver in the world. Unless there are at least two parking spaces free by the kerb, I don't even try to park in them.*

Most Erotic Experience: *That has to be the time I got a boyfriend to tie me to the bed. For some reason, I was very turned on and wanted to be a bit more adventurous than usual. When we got to my room, I asked him to wait by the bed while I pulled out four pairs of tights from my wardrobe, then told him to tie me down with them. I had my arms tied to the headboard and a leg tied to each of the bed's legs at the opposite end. Then I told him he could do whatever he wanted with me. It was exciting to be completely helpless, a real turn-on. He straddled me and I had to suck him off until he spunked all over me!*

actually having the time of his life. I seriously doubted this, but changed my mind when Phil stayed with us for a few days recently.

While I was at work, I kept thinking of poor Phil sitting all alone in our house, so I finished early and headed home to keep him company. As soon as I got back, it became obvious I shouldn't have worried – Phil had female company already. Familiar-sounding noises were coming from the sitting-room. I peered through the half-open door where I saw Phil sitting on the sofa enjoying a blow-job from a half-naked girl with long, blonde hair.

She was gobbling his thick meat like there was no tomorrow, and it was only when Phil told her to stop because he wanted to shag her that I saw her face. It was the twenty year-old daughter of our next-door neighbours. Phil had certainly wasted no time getting to know Louise. I watched as he got her on all fours, her head resting on the arm of my sofa. He fed his cock into her and began ramrodding her in the classic doggy position I enjoy so much myself. Watching his thick shaft, glistening with Louise's juices, slipping effortlessly in and out of her was one of the most erotic things I've ever seen.

I was so turned on that when Phil withdrew his cock and spunked onto her bum, I rushed into the room, sank to by knees in front of him and took his length into my mouth without so much as a by-your-leave! He didn't seem to mind though, and after a few minutes of frantic sucking he was as stiff as a board again. Now that he was ready, I turned my attention to the bemused-looking Louise on the sofa.

Parting her legs, I poked my tongue up her juicy hole. Phil lifted my skirt up around my waist and pulled down my soaking knickers. As I continued to lick Louise's pussy, Phil fingered my hole. Once he'd got me really wet, I felt the tip of his cock press against my mound. With one push, he was inside me.

We stayed in that three-way position for a while, but as Louise came close to a climax, Phil started pushing his cock further inside me and I concentrated on enjoying the tremendous shafting I was receiving.

Phil may not be as big as my husband, but he certainly knows what to do with his cock. I came very loudly, just as Louise was bringing herself off. It was only as I lay on the floor panting for breath that I realised Howard was watching from the door.

I braced myself for the worst, but all he said was "I told you Phil didn't need any help." With that, the fucking started all over again. As I straddled my husband I watched Phil climb back onto Louise and give her another fine fuck, then we swapped and Louise took a turn with my husband while I re-introduced myself to Phil's cock.

So now I've given up on matchmaking. I'm persuading my husband to get in a couple of lodgers – Phil and Louise would be perfect, and I'm more than willing to accept 'payment in kind' rather than rent!

ALL-GIRL GANG-BANG

I don't know what the hell I'd do without adult magazines. An especially horny ex-boyfriend helped me learn just what a handy sex aid they are, and I read *Mayfair* when I'm frigging and to add spice to my love life. A lot of guys are surprised to find that there are girls who really get off on porn, but let me break the news – we're probably more imaginative wankers than you are! Me and my girlie friends are always swapping dirty films, books and magazines, and believe me they all get well used!

The kinkiest thing I've ever done happened because of porn, and even though I'm generally devoted to cock, this was so out of the ordinary and sexy that I only have to remember it when I'm masturbating to make me climax.

Sharon and Louise are two of my best friends, and being dirty as usual, Sharon had brought a seedy blue movie with her when the three of us got together for drinks at my house. Fuck knows where she got it. The girls in the film were all good-looking with gorgeous bodies, but the way they swallowed those huge porn-star cocks, it looked as if they had bottomless throats!

Halfway through and I was dying for some stimulation. The room was half dark and I sneaked a hand into my jeans to stroke all round my clitoris. It was getting a bit tricky because it was getting so slippery and I bit my lip to stop myself making my usual moans and groans when Louise said "Fuck, I'm horny. Where are the men when you need them?" It turned out we were all as turned on as each other, and when I held up my glistening fingers, Sharon laughed and said that she'd already fingered herself once when she said she was going to the toilet!

What with the explicit porn scenes on screen and my two mates as turned on as me, we all got carried away. Sharon was sitting next to me, and as we watched the film, I felt her hot hand in my lap. I just froze! I wanted her to touch me more, and I thought I was imagining things when her hands inched up my thigh and ended up pressing my mound. Her touch was practically burning through my jeans, and as I opened my legs wider so she could get her hand right in there, I looked up and realised Sharon was staring at my tits and at her hand in my crotch and Louise was sitting on the floor watching Sharon touching me up.

"This feels bloody good, but are you sure you want to carry on?" I asked Sharon, only to have Louise say:

"Oh fuck, please don't stop! You don't know how much this is turning me on! I want to touch my pussy while I watch!" Coming from shy little Louise this was really something, and knowing I was doing something that had her

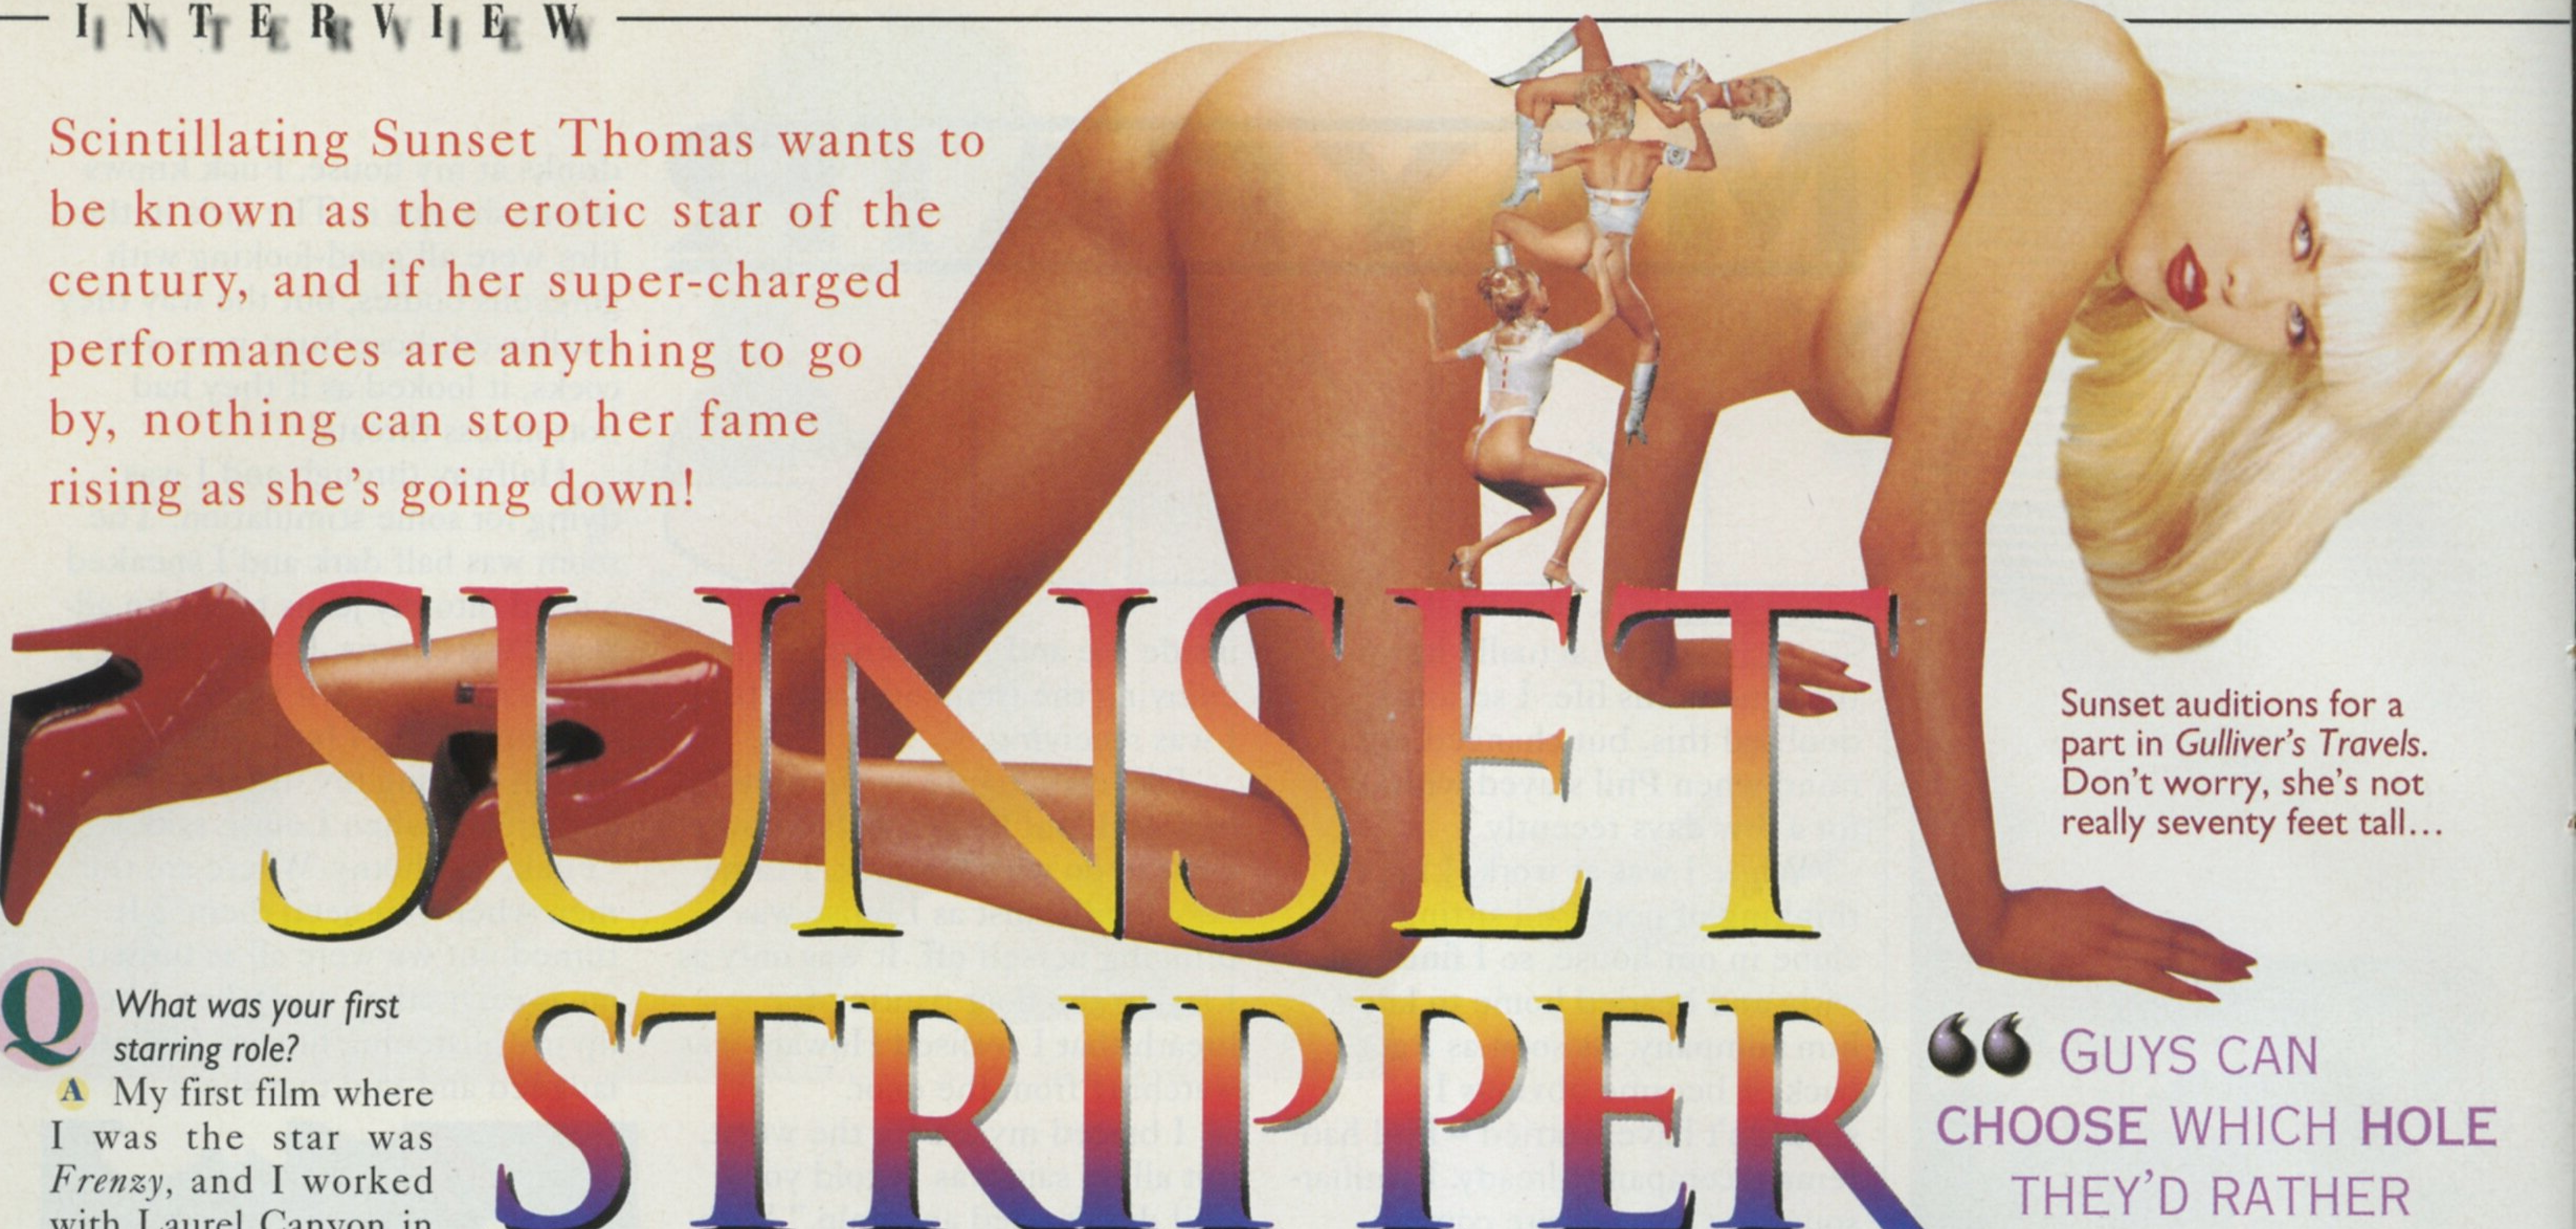
Scintillating Sunset Thomas wants to be known as the erotic star of the century, and if her super-charged performances are anything to go by, nothing can stop her fame rising as she's going down!

SUNSET STRIPPER



Sunset auditions for a part in *Gulliver's Travels.* Don't worry, she's not really seventy feet tall…

Q *What was your first starring role?*
A My first film where I was the star was *Frenzy*, and I worked with Laurel Canyon in a great girl/girl scene.

Q *What is your favourite sex scene?*
A My first double penetration scene with Shawn Ricks and Zachery Addams – it was the best orgasm I ever had, with Zachery in my backdoor and Shawn in my pussy. You wouldn't believe how much meat I swallowed that day!

Q *What do you enjoy most about making erotic movies?*
A Sex, sex, sex and more sex: I'm *sooooo* horny! For me, business and pleasure are the same thing.

Q *What did you do before you got into films?*
A I was a pizza maker, drug user, alcoholic and loser with no confidence. Now I'm drug-free, alcohol-free and a successful model/film star.

Q *Are you a voyeur?*
A I love to watch – especially Zach with another woman. Seeing his big dick slamming into another pussy and listening to the girl moaning gets me ready for a full-on fuck-fest.

Q *Are you bisexual?*
A Yes! I love it! My first lesbian act was when I was living with my gorgeous redheaded roommate. She had such a cute pussy, I just had to start licking and stroking it. But I love a man's meat; any size, anytime, anyhow!

> “I LOVE TO LOOK UP AT HIS FACE AND HEAR HIM MOANING AS HE FILLS MY MOUTH WITH CUM”

Q *What's your ultimate fantasy?*
A To make love in a zero gravity chamber (upside down). I could invent a whole new sexual position and have it named after myself! I want to be the very first person to gang-bang in space – can you just imagine all that hot spunk flying everywhere?

Isn't it amazing what you can do with a bit of cling-film and tin foil?

Q *What do you do to keep yourself fit?*
A Sex, sex and more sex! It's the best exercise you can get, and the most fun. You use your muscles, you stretch your tendons to stay supple and if you're in the sack with me, you can bet your cardiovascular system gets a good workout! If they had sex in the Olympics, I'd be a gold medallist. Also, dancing helps keep me in shape.

Q *Do you have real orgasms in your movies?*
A I have orgasms in my sex scenes all the time: multiple ones. It's sometimes really hard to give a good performance and stick to the script, I get so carried away, but some of the best action can happen when you start improvising.

Q *Where do you prefer the guy to cum?*
A I like him to cum in my mouth: it tastes good! I love to look up at his face and hear him moaning as he fills my mouth with cum.

> “GUYS CAN CHOOSE WHICH HOLE THEY'D RATHER FILL WITH STIFF DICK”

Q *Do you have a special lover?*
A Zachery Addams. I couldn't let that tongue get away! He's also a porn star; they call him “Papa Tongue”. Our work makes our relationship more exciting.

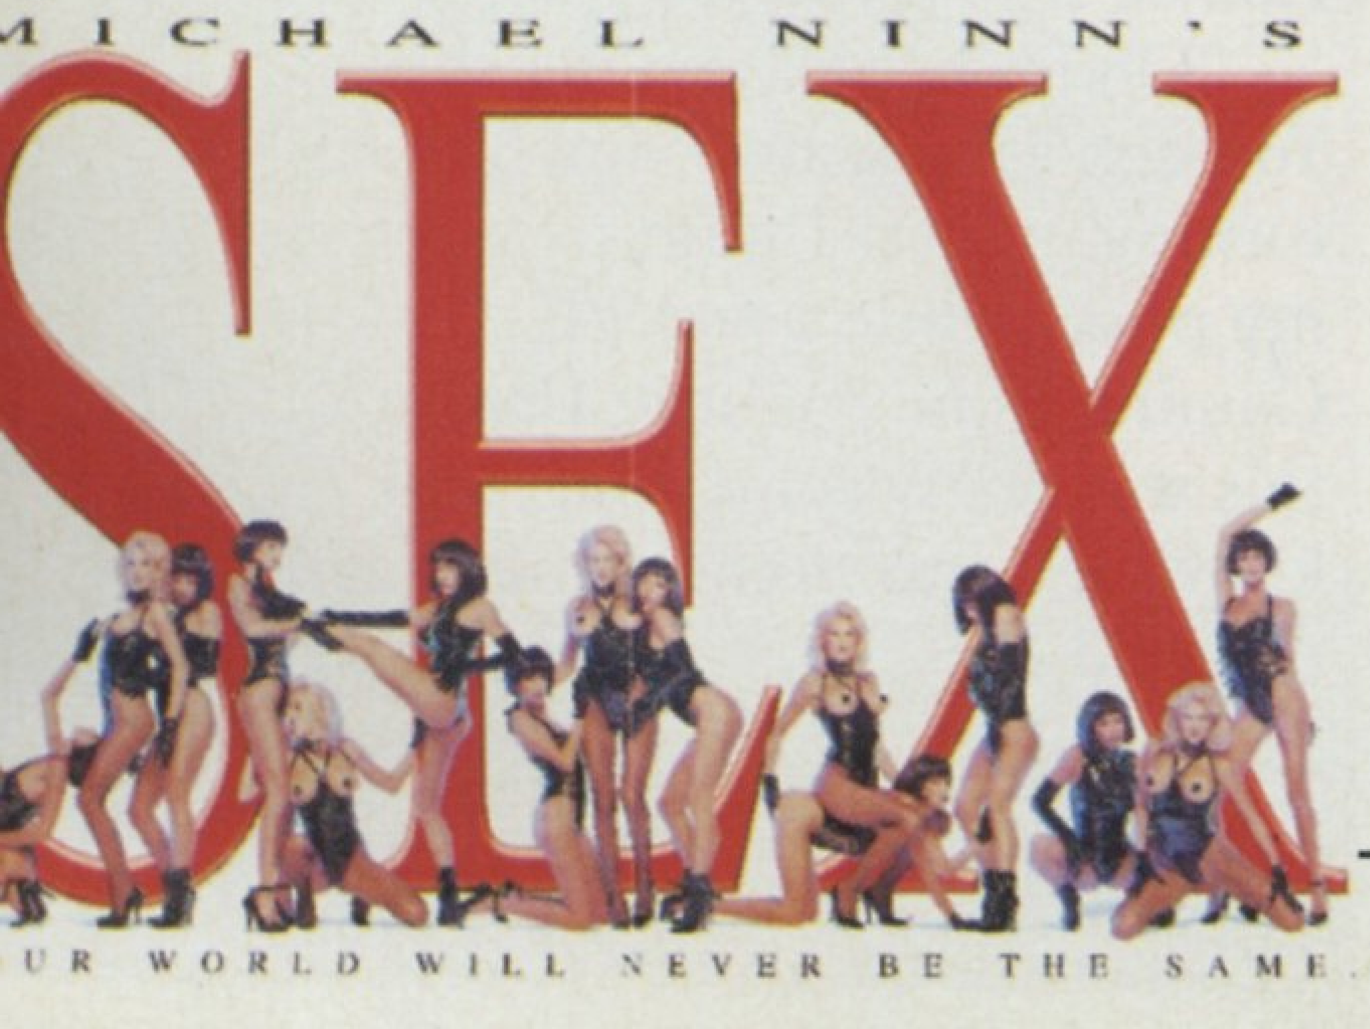
Q *Tell us your biggest turn-ons.*
A Big, hard dicks and gentlemen treating me like a lady – except in the bedroom, where they can do what the hell they like, the dirtier the better!

Q *Do you like to masturbate?*
A Yes, especially with water, in a swimming pool or bath. I think about my past sex experiences and all the ones I hope to have in the future.

Q *What do you think you're best at?*
A Being on top and my moans. I can ride a big, stiff dick better than anyone else in the business.

> “I CAN RIDE A BIG, STIFF DICK BETTER THAN ANYONE ELSE IN THE BUSINESS”

Q *What's the most spontaneous sex you've ever had?*
A Having sex in a Cessna 172, 10,000 feet in the air, fucking the pilot! What a joystick he had! It's a miracle we didn't crash. But we sure came to earth with a bang!



SEX
CAJUN
A Classic Tale Of A Classic Tail…
FROM THE DIRECTOR WHO BROUGHT YOU SEX and SEX 2…

Q *Do you prefer one-on-one scenes, threeways or orgies?*

A Lots of men, lots of sex, lots of cum (but still safe sex). In my personal life, I like girl, guy, girl. I like to be with one of each so whether you're in the mood for cock or pussy, it's within easy reach – you can't beat it!

Q *What do you like most about your own body?*

A My hot, horny pussy and my firm, round butt. Guys can choose which hole they'd rather fill with stiff dick.

Q *What's in your future?*

A My future projects are opening a getaway resort where people can go to relax, sunbathe and fuck each other and maybe buying a dance club to indulge myself.

Q *Do you dance in clubs?*

A Yes, and I love all the men and getting naked in front of them. I like looking at their hard-ons bulging out of their pants. I like to imagine what they're thinking – how they'd like to get those cocks out and push them into my crack. Sometimes, as soon as I'm off stage, I ask Zach and a customer who's caught my eye to come in and fuck me *goood*.

PHOTOGRAPHED BY JOHN STUART

First Date: *I was thirteen when a boy who used to live a couple of doors away invited me to his football club's end of season disco. He was only about fifteen, but we felt ever so grown up when we snogged on the dancefloor. I got into big trouble with my parents when I got back to my house for coming in late, though. It must have been all of eleven o'clock!*

Favourite Possession: *A beautiful silver teapot that's been in the family for years and years. It's supposed to be worth quite a lot of money, but it's too precious to sell. When I feel like I need cheering up, I lay out a tray with all my best china, boil the kettle and make a pot of steaming Earl Grey, then sit in bed and drink it while I watch the television.*

Free Time: *I don't seem to get a lot of free time these days – I'm usually leading a class in jazz or tap dancing and I live out in the country, so it's quite a drive to get into town and back again. I love the theatre, but ballet is my real favourite. I auditioned for a quite famous ballet company once, but they said I was the "wrong shape". When I asked what they meant by that, the man I was auditioning for went all red and embarrassed. All he could do was point at my boobs! That's the only time I've had a complaint.*

Favourite Drink: ***Champagne, of course. Not that I get to taste it very often, but if any guys out there are wondering how to get into my good books, then a bottle of Bollinger will usually do the trick – and if it's a magnum, you'd better make sure you're ready for anything…***

Most Like To Spend A Night With: ***Christian Slater's got a nice smile. Or Martin Sheen – no, not Charlie – his dad's much nicer.***

One Wish: ***I'd love to have been an old-fashioned Hollywood actress like Bette Davis or Joan Crawford. I'd be driven around in a Rolls-Royce, seduce all the handsome actors in town and throw tantrums all the time. Well, I do that now, to be honest!***

Most Erotic Experience: *It's so dirty! I was booked to dance at a jazz club, before I became a teacher. There was this really cool jazz trio playing and I was supposed to improvise routines to their songs. I got completely carried away by the music and ended up bumping and grinding right in the band's faces – they had to pack it in and said there'd be a short interval before their next set. I went back to their dressing-room, walked into the shower, threw my clothes out of the door and started to dance under the water. I was so turned on, it was incredible! I beckoned them in with my finger and before long I was wanking two of them off while the other one fucked me from behind. When they finally went back out to play, they were rubbish!*

Blame all those nights snorting nitrous in the workshop. IT'S UP THERE SOMEWHERE!

According to Laura Corn, the facially challenged presenter of a new hour-long 'educational' video entitled *The Ultimate Guide To The Incredible G-Spot*, locating the elusive little bugger is a piece of piss. Problem is, if you follow Laura's advice and undertake her "exciting new programme of self-discovery," you'll have to abstain from penetrative sex for a fortnight, and your partner must endure the torment of a two week period of non-orgasmic manual manipulation (in other words, clitoral stimulation is off the menu until a bona fide G-Spot climax has been achieved). Sod that for a game of soldiers! The time-coded preview tape we saw *did* feature some extreme close-up finger-fucking action, however, so if Mr Censor lets the video pass uncut due to its 'educational' tag, at least hardcore porno-starved UK punters can get a glimpse of what they've been missing. Also, the fact that it's out on 'M.I.A. Video' adds a certain irony to proceedings…

CAUGHT BY THE QUOTE TALES

They said it, but did they mean it?

"Towards the end of The Who, I felt I could wank and drink myself to death if I wanted to. Actually, I don't think you can wank yourself to death."
Pete Townshend, who obviously wrote *A Quick One While He's Away* while Roger Daltrey popped out for a packet of fags.

"If Trudie doesn't get her five hours of sex, she gets very cantankerous. Recently, she broke her foot skiing so she was on crutches for a while. So sexually we had to be inventive. Thank God for yoga! Actually, I found the crutches incredibly sexy. Does that make me a pervert?"
Sting, talking out of his arse again.

RELIEF IS AT HAND!

It's a dirty job, but someone's gotta do it. Hours of painstaking research and analysis go into any work of scholarship, but few academics can have gone to the lengths of George McCoy, who has produced a work as definitive in its own field as Gibbon's famous *Decline And Fall Of The Roman Empire*. George's tome is *McCoy's British Massage Parlour Guide*, which lists and rates over 350 of the country's top purveyors of 'executive relief'. Ten quid is expensive for fifty photocopied pages and one of the naffest covers ever, but George probably has a large expenses account – although no wife and kids, by the sound of it – to take care of.

McCOYS BRITISH MASSAGE PARLOUR GUIDE No. 1
£10
370 establishments fully listed & rated

Coverage is a bit patchy, with some areas of the country rather better-served than others, but the concise descriptions and ratings are genuinely informative, so if you're thinking of splashing out on a sensual sauna, it's probably a worthwhile investment, with follow-ups promised.
(McCoy's Guides, PO Box 243, Telford TF2 9WL)

"In Amsterdam, we went to this lesbian club and a girl who didn't speak very good English told me: 'no bondage tonight, you have to make sex with yourself.' I was laughing my head off but she still tried to hit on me!"
D'Arcy, bass player with the Smashing Pumpkins. No, D'Arcy, she probably just tried to *hit* you…

"At the newsagent, my mum tries to find every magazine we're in. I have nightmares about posing nude for a girlie mag and my mother browsing to find our picture alongside adverts for dildos and penis enlargement creams."
Chris Gordon, the frontman from Scottish rockers Baby Chaos, whose new album is *Love Your Self Abuse*.

"I've never had a sexual liaison with another woman but I've kissed girls, felt girls and we've rubbed each other."
Shirley Manson, singer with Garbage, takes her St John's Ambulance training seriously.

"In You Oughta Know, I wrote all that stuff about oral sex in public to get it out of my system. Now I'm fed up with jokes about me taking guys out to theatres. It's just not funny anymore."
Alanis Morrissette learns to never talk with her mouth full…

"Soon, you'll be able to buy a Barbie doll that looks like me, just to prove that men are not the only ones who find me attractive. Apparently, little girls like me, especially when I wear my pink outfit."
Pneumatically-challenged Lolo Ferrari, keen for a bit of *Kids*-style controversy. Lolo charges over £3,000 to perform her *Airbag Generation* single and strip in night-clubs. The Goodyear blimp can be hired for half the price (allegedly).

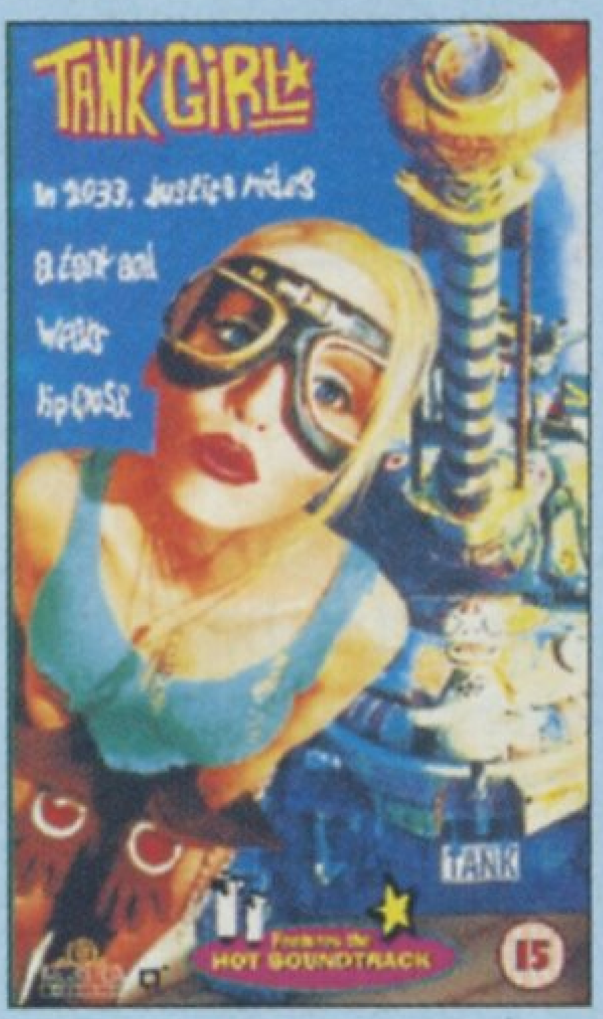
How could a film that brings together Las Vegas, naked girls and *Basic Instinct* director Paul Verhoeven fail to mop up at the box office? Great routines, but that's about it.



Tank Girl (15)

"She's tough. She's sexy. She's wild," it says on the sleeve. She's also a pain in the arse. After two minutes you are *begging* Malcolm McDowell to stop farting around, and shoot the little shit in the head. Twice.

Empire Records (12)

Kind of a Nineties brat-packer set in a groovy record store. Boo! But that's not important. What matters is that the gorgeous Liv Tyler is in it. Hooray!

The Rock (18)

Men's men balding Nicolas Cage, bald Sean Connery and almost bald Ed Harris team up to create lots of big bangs around Alcatraz. Sorry for spoiling the plot.

Diabolique (15)

Even Sharon Stone and Isabelle Adjani can't lift this above being another thriller-by-munbers. Hollywood continues its trend of buying the rights to classic European films, remaking them and missing the point entirely.

Rebecca (PG)

Doing the rounds at an art-house near you, this is one of Hitchcock's best. What's more, that girl you fancy will be dead impressed when you casually drop it into your conversation.

Eye For An Eye (18)

Sally Field gets extremely annoyed when white trash Keifer Sutherland is very, very nasty to her daughter. She buys a gun and much fun ensues.

SCENE *from* MAYFAIR

WHO'RE YOU CALLING NANCY, BOY?

It's amazing Donovan Leitch talks so much, considering he's still got a silver spoon stuck in his gob. The son of sixties hippy arse Donovan (the British answer to Bob Dylan, only he wasn't much of an answer at all), his real life *Beverley Hills 90210* upbringing meant being taken to George Harrison's house at the age of eight (he didn't recognise him!) and now bumping into restructured LA babe Amanda de Cadanet, who just happens to live down his street!

Not content with modelling for Calvin Klein and getting to swap make-up tips with his best buddy Kate Moss, Leitch has inevitably succumbed to the fatal attraction of getting a band together. He didn't get off to a particularly auspicious start by recruiting bassist Nigel Mogg, once of failed pub rockers The Quireboys, and we have to ask whether things have actually progressed from there at all.

Nancy Boy, (whose début album of the same name is out now) features his supposedly pretty boys writing a load of fake gay claptrap like 'Promosexual' and talking about busting the rules of convention etc etc.

"I just love Duran Duran," bleats Leitch as if it were some kind of moral justification. "Simon Le Bon had such an incredible voice." And you obviously admired his dress sense too, didn't you Donovan love?!

PUNCH DRUNK

"Drinks that can help your sex life, alleviate arthritis, gout, eczma, allergies, relieve sickness and hayfever, improve the digestion and purify the blood, surely sound too good to be true." Er, yes, now that you mention it, they do. This is the claim made by the makers of Thorncroft Spring Leaf Cordial, a kind of herbal squash with testosterone-inducing nettles in the mix. It may well do all of the above – unfortunately we couldn't get close enough to actually partake of any, because it smells like cough mixture.

The only thing potent enough to clear out our tubes at the moment is a rather excellent gin by the name of Bombay Sapphire. It comes in a fetching blue bottle with charming little engravings on the side and uses no less than ten (count 'em) botanicals to give it its distinctive flavour. Just watch out for that hangover, it's a monster! (See our Sub-Ed for more precise details)

DID YOU SWALLOW?

You don't get anything for free from the Mayfair boys, oh no! Anxious to hawk the video reconstruction of her famous encounter with Hugh 'the screw' Grant, *Taken For Granted* (£12.99), Divine Brown very kindly sent us a copy. We agreed to mention this landmark in the history of cinema on one condition: that she answered the five questions everyone else was too scared to ask. Being a 'game' lass, she agreed! So here's the low-down on the blowdown…

Q. Did you swallow?
A. No, I *never* swallow. I always make them wear a condom.

Q. How big was his tackle?
A. Pretty decent – he certainly didn't have anything to be embarrassed about!

Q. Was he circumcised?
A. No!

Q. What kind of underpants did he wear?
A. His pants came off so fast, I didn't have time to tell!

Q. How long did it take?
A. We were stopped halfway through – so we didn't have time to finish…

Fans of those nutty Japanese Manga films (yeah, we know they're supposed to be called 'Anime', we're just luddites) should take a look at two new releases from a company from over here that's doing rather well over there. RUCK!

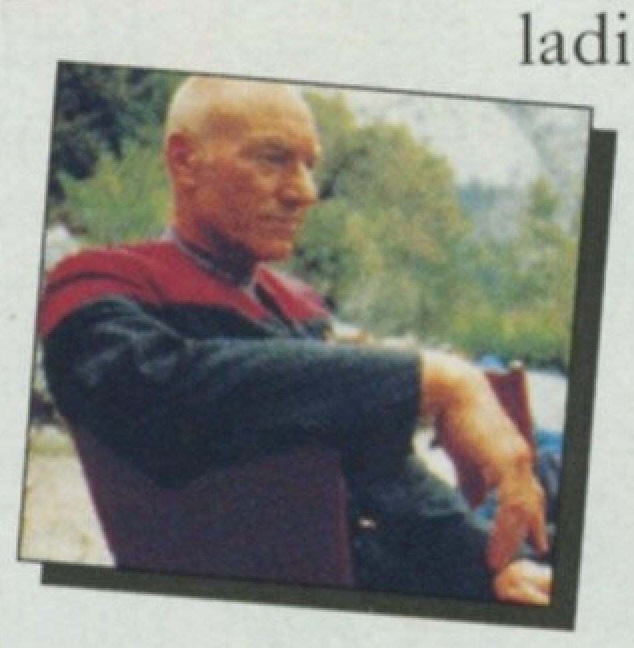
The fights we'd love to see

JAMES T KIRK v JEAN-LUC PICARD

They say they come in peace. They don't.

They're two mean muthas who have both revealed psychotic tendencies. As captains of the starship 'Enterprise', they are used to having massive firepower at their disposal, but if you take away the phasers and photon torpedoes, which of them would crack in hand-to-hand combat on a Friday night outside 'The Dilithium Crystal Tavern', a popular Barnsley watering-hole? You're about to find out, earthlings. *Mayfair* issued a priority Federation Directive asking both courageous captains to show up just after last orders. Failure to turn up would mean disgrace for their respective crews. Picard beamed down ten minutes early and began a complex sequence of martial arts moves to limber up. Kirk didn't look like he'd show, but eventually emerged from the bar at chucking-out time, with Spock and Scotty virtually frog-marching him into the car park. He looked as if he'd been crying and stank of cheap whisky and Bensons.



Fearless, Peerless and Hairless

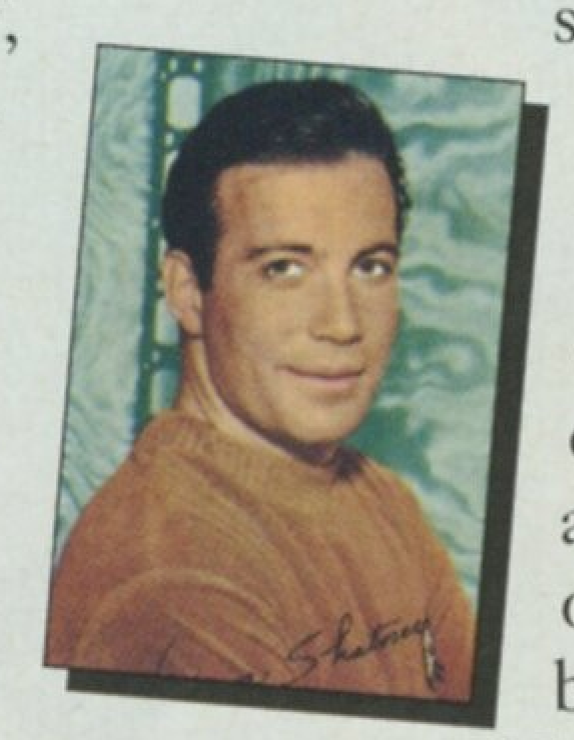
As they face off, Picard seems to have it in the bag. He's lean, a skinhead and boasts the humourless discipline that makes him one of the most boring men in the galaxy. Given the choice of a hot date with Counsellor Troi or a lecture on particle physics, he'd reach for his ring binder every time. Frightening. Very much in the mould of another follicle-free fighter, Marvin Hagler, he possesses a strong chin and doesn't mind soaking up punishment in order to get his own punches in – a real slugger.

Kirk doesn't look much of an opponent. A fat, over-emotional ladies' man, he's obviously scared of getting hit in the face in case it spoils his chances with the floozy he was trying to chat up at the bar, and as he's been on extended shore leave for about the last four months, his knees are still weak from too much boldly going where no man has gone before (i.e. shagging alien women with three tits). A boastful showboater of the first order, he plays to the gallery with a series of stumbling 'Ali Shuffles' that draw embarrassed groans from his crew and laughter from Picard's. "His infra-red emanations indicate that he has consumed approximately twelve pints of Tennents Extra!" quips Geordie Laforge from behind his naff wraparound shades.

Kirk dances around, taunting Picard with his bar-room philosophy about the dignity of the human race and concepts alien to the man with the widest centre parting this side of Vulcan – jokes, for instance. But Picard doesn't rise to the bait.

"You are a disgrace to your planet, your crew and your uniform," says Picard in a yawn-inducing monotone.

"Arghhh, go fuck yerself, ya bald bastard!" slurs Kirk. Bones sighs and books a bed in the intensive care ward of sick bay.



Federation Bullshit

However, despite having an inflated appetite for blonde crew members and spaceburgers, Jimbo does have two weapons that are beyond domeheaded Jean-Luc: imagination and experience. Remember the *Star Trek* episode where a super-intelligence who looked suspiciously like Liberace puts Kirk onto a planet with a Klingon and a Romulan and tells them it's a case of 'last man stand'? Kirk may not have been the biggest or the baddest, but with no women around, he was the sneakiest. Within minutes, he had rigged up a cannon from some bits of rock and bamboo that just happened to be lying around and was joyously offing the alien scum, having conveniently forgotten all those bullshit Federation Directives about peace.

Captain Chaos

And that's just what JTK does when faced with Mr Infinity Forehead. As Picard adopts a 'Praying Mantis' Thai boxing stance and prepares to strike, Kirk realises the gravity of his situation and sobers up. The pub car park is littered with empty beer cans, fag ends and chip wrappers – many of them discarded earlier by him. He lies down and starts blubbing like the big, fat baby he is. Everyone is taken aback. This gives him the time he needs. In between sobs, his hands work with the speed and dexterity that are only found in the truly insane. Jean-Luc turns away, muttering "I cannot fight him. He needs professional care."

"Help me!" whines Kirk, reaching out one hand to his counterpart. Filled with pity, Picard extends a brotherly arm.

A fatal mistake.

Kirk pulls an improvised stun-gun from behind his back and opens up at point-blank range. The slaphead slumps between a couple of Austin Montegos. Laughing maniacally, the portly lothario steps up, sneers "Beam *this* up, you cunt!" and administers the kicking he so richly deserves. It takes the combined crews of both starships to drag him off. Killer Kirk by a KO!

What a fantastic selling point! 'It's New It's Now It's Nude Croquet' has got to go down as one of the worst coverlines of all time – and the feature within the book to which it refers was just as pitiful! Still, some top birds saved the day; take a gander at the delightful charms of Christie Lyons. Okay, she looks bog-all like Glynis Barber (the actress who played Makepeace on telly), but by God she was pretty. Terrific jugs, too! The very tasty Vicki Paterson from York was another welcome addition, despite the fact that her pussy looked like it was sporting a W G Grace-style beard – what a middle wicket thicket! Features ranged from the depressing (great nuclear submarine disasters you know and love) to the downright silly (wives for sale in Victorian England), but at least the jokes in the 'Gentlemen, That Reminds Me' section were, for once, bordering on the amusing…

A cool cover concealed a multitude of sinners, pick of the bunch being the lovely Bridget from Torquay. Beautiful boobs, big and natural, but the poor girl seems to have something of a drink problem (see picture). Features, however, left a lot to be desired – were readers *really* interested in a wordy historical investigation into Zulu atrocities against British noblemen at the turn of the century? We doubt it, especially since the lyrics to 'Men Of Harlech' were conspicuous by their absence! Then there was the terminally dull profile of cricketer David Steele, the man John Major modelled his flamboyant specs and hair on; surely an interview would have been more appropriate? Then again, perhaps not. At least the curvaceous Carrie was on top form, losing her lingerie in a failed attempt to pass her driving test. Politically correct? Of course it wasn't – but with knockers as nice as that, who cares?!

TOP TOTTY IN YOUR BIRD'S MAGS

Your quick-flip guide to all the best tuppeny bits!

Every month large chunks of forest are pulped and turned into glossy, over-priced women's magazines. A waste of natural resources? If you have to flick through the buggers looking for half-decent totty shots they are, but with our exclusive 'Flip-To-The-Good-Bits™' guide it's almost worth whipping your chopper out and felling a few conifers yourselves! This issue, *Elle*, *Marie Claire* and *Cosmopolitan* come under scrutiny – here's how they stack up:

ELLE

ELLE A whopping 212 pages long and, apart from this rather attractive shower shot on p.155 there's not a lot on offer. The Thai prostitutes featured earlier on in the issue looked (at a glance!) reasonably attractive, but upon closer inspection turned out to be transsexuals. Urrrrgh!

Summer Hair Survival

MARIE CLAIRE This issue contained an unbelievable 268 pages, but you only need go as far as p.11 for a reasonably attractive bikini line-up. The feature focuses on a resort in Italy where fat and ugly bints are banned (and we're booked on the next flight). Also, the Helmut Newton advertising shot for a new range of "hosiery and bodywear" (ie. tights) was pretty good too, even sporting a hint of titty. Nice one, Helmut, just get 'em to lie on their backs next time, will ya?

WRAP OUR KNUCKLES!

In *Mayfair* Volume 30, Number 13, under the heading 'Troops At Tease' there was a reference to the group 'Under Wraps', and their appearance in a show for the British troops serving in Sarajevo. The article, which was about the Combined Services Entertainment tour for our boys in Bosnia, may be read to have implied that 'Under Wraps' stripped. They didn't – they remained essentially 'under wraps'.

LISA

SUSAN

PHOTOGRAPHED BY STEVE COLBY

How You Met: ***Susan:* *We bumped into each other when we were studying at university together. We both did fashion, and we've ended up trying to get our own label off the ground. Lisa does most of the design work and I do all the really hard work – selling the clothes to our stockists!***

Lisa:* *I couldn't stand her at first. All the fashion students would be dressed in their trendy gear, and Su would turn up to the lectures in a business suit with a personal organiser in her pocket!

Sexual Preferences: ***Susan:* *I guess you could say we swing both ways. We usually just sleep with each other, but sometimes we feel like a change so we might have a night with another man or woman.***

Lisa:* *There's no reason why you should restrict yourself. If you're not in the mood for a sweet little fanny, it's nice to slip onto something more comfortable – a nice big dick, for instance.

Susan:* *She tries to get me jealous by bringing blokes back, but she always comes back for more!

Most Erotic Experiences:

Lisa: We were doing a show in Milan, on the fringe of the main fashion week, and it went really, really well…

Susan: So well that all the models from the main shows started dropping by and actually buying things from us. There was a really good atmosphere, like a party, and to be honest, we ended up having one massive orgy after our show!

Lisa: I couldn't believe it! Half the writhing bodies on the floor were household names and the other half were some of the most beautiful people in the world!

Susan: You haven't lived until you've had an Italian stud's dick up you while you're busily lapping away at a supermodel's fanny!

MAYFAIR Male

continued from p41 beside herself with lust flipped me out, and I gave Sharon a cheeky wink! I helped her out of her top, and had to stop myself grabbing her hand and shoving it down my jeans as I cupped her big soft boobs and heard Louise as she roughly finger-fucked herself.

It was all new to me, but instinct took over and I wanted Sharon so badly that I just relaxed and let my body go. She undid my jeans, thank God, and with just our knickers on, I lay on top of her and we snogged. They were just little kisses to start, but with her hard nipples digging into my tits and face, we were soon wrapped round each other, giving real deep-throat tongue snogs.

I wanted everything now, and every move she made was perfect – her fingers opening up my wet, sensitive pussy, the way she grazed her teeth round my nipples and boobs, and most of all, the way she rubbed my clitty with two fingers, working up a really firm rhythm that left me helpless. I just lay back in her arms, my thighs stretched wide as she made me have an orgasm. I'd never seen Louise so randy and rude! She was kneeling up, knickers round her knees and her hand flashing in and out of her fanny with her face about two inches from my dribbling slit! I thought she wanted to lick me out, but she said she was just incredibly turned on from watching and climaxed as she saw my hole spasming round Sharon's long fingers.

It felt so horny to have sex with another woman, and the taste of my pussy juice on Sharon's lips made me want to bury my face in a snatch myself. I was worried that Louise was feeling left out, but she said she'd never been more turned on in her life, and as she sat with each leg hooked over the arm of a chair, stroking her clit with one hand and poking two fingers up her cunt, I got turned on all over again, and asked Sharon to bend over the couch doggy style, so my boobs were swinging under me as I nuzzled my mouth right between her bum cheeks and licked out her tangy, swollen slit.

By the end of the night, we were all exhausted, with sore throats from groaning and screaming, and all lay together, still naked on the floor, and talked about our surprisingly erotic lesbian discovery. Boys, if you think your blue movies are kinky, you should have seen what the fuck we did and said to each other!

CRYSTAL BALLS

A few years ago, I had my fortune told at a local fair by an old gypsy woman. I was told to be patient and remember the old saying: "Everything comes to he who waits." The prediction has now come true, but I'm not sure it's in exactly the way the fortune-teller meant…

Tommy, one of my oldest friends, has a younger sister called Julie who I've fancied ever since I was a teenager. I was desperate to shag her but decided it was best to wait until she'd turned 18. Typical of my luck – just as she came of age, she moved away and I thought I'd never see her again. That was about five years ago.

" YUP – IT SURE IS GOOD TO GET YOUR FEET UP. "

Then, a few weeks ago, I thought I'd definitely blown any chance I'd had when Tommy told me Julie was getting married soon. The good news was she was going to be spending a few weeks back at her parents' house to make the final preparations.

I found out where she was going for her hen night and decided to go along, just to buy her a drink or two and hopefully try and get off with one of her mates. When I caught up with them I saw how little Julie had changed. With a few drinks inside her, she turns into a right little cock-teaser and flirts with every man in sight. She was still the sexy girl I remembered and when she saw me, she came running over straight away.

I was there with my boss, Declan, and had told him all about Julie. He was impressed when he saw her and spent ages chatting her up. As the night wore on, Julie's friends either disappeared or were practically unconscious. I suggested Julie join us for a nightcap at Declan's before we called for a taxi to take her safely home.

We got back to the flat and Julie explained what her friends had told her – her hen night should be her last taste of freedom and she should go out with a bang. Well, that's exactly what happened!

Declan and I started to strip her clothes off. Julie has a firm, athletic figure, and I started to kiss her while Declan stood on the other side of her with his hand inside her skimpy panties. I'd always suspected that deep down, Julie was shag-happy, and she quickly proved me right by reaching into both our trousers and wanking our shafts.

I sat on a chair and got Julie to start sucking me off. It was something I'd dreamed of for years, watching her cute little mouth devouring my big, thick cock. She purred like a kitten as she gobbled greedily. Declan had got her panties off by now and was continuing to finger her wet crack, then pumped his shaft a few times to make sure he was good and hard and pushed into her from behind. Julie carried on sucking me off while Declan thrust in and out of her.

By now I was close to shooting my load. I kept hold of her head as Declan fucked her harder. I bucked as I shot into her mouth. She swallowed the first load, then let the rest of the white come spurt all over her face. She licked her lips and looked me wickedly in the eye until she started coming herself. Declan grunted as he emptied himself into her.

When they pulled away from each other, I thought that would be the end of it, but continued on 75

Ladies' Razors

Q *Have you ever shaved your pubic hair?*

A I have shaved my bush off several times myself, usually while I'm languishing in the bath. The hot water and steam envelop me and I start caressing the soapy bubbles into my skin. My hands move to the insides of my thighs, where I'm very sensitive, and I think about how nice it would be to smoothly slip my hands between my legs without any roughness. This is where I reach for the soap and razor – I prefer a large bar of soap to a can of shaving foam, as I get pleasure from the slipperiness and hardness of the bar as I get ready.

Q *What does it feel like before, during and after?*

WILKINSON SWORD

CLASSIC
WILKINSON SWORD

A While I shave myself, the pleasure comes from the hot, slippery soap and water against my skin. The actual shaving is a means to an end – a way of getting a lovely, smooth mound. The first time I allowed someone else to shave me, it was with a quite dominating older man. The soaping up was a huge turn-on. His deft fingers kept stimulating my clitoris as he built up a lather. We started to get a bit carried away and he slipped both hands between my legs, one rubbing my mound and the top of my opening as the other teased my hole and his little finger lightly played with my arsehole. He was in masterful mode and managed to ignore his huge bulge with comments like "Naughty girls have to wait until they behave." I was creaming heavily, and when he'd shaved me, he couldn't keep his mitts off his handiwork, reducing me to a moaning, moist wreck. The newly-revealed skin felt so fresh and new, I'm sure it was much more sensitive than usual.

> “I COULDN'T **STOP** HIM **LICKING ME,** HE WAS LIKE **A MAN** POSSESSED”

Q *Is sex better when you're shaved?*

A Shaving definitely works for me, mainly because of the role-play it stimulates. I like to become an innocent girlie, full of virginal sexual energy. One lover used to like glimpsing my crotch as I innocently lifted my skirt up and pulled my little panties to one side. He would groan at the sight of the glistening line between my smooth, bare lips. Once he shot his load all over me as I parted my legs and gave him a glimpse – I just slid one finger into my bare pussy and his come spurted out all over me!

I get pleasure from running my hands down over my smooth mound. It's so soft and slick to slide down into my tight pussy. It was also great to see my 'master' suddenly become powerless, shooting off everywhere!

Q *Have you discussed it with anyone?*

A I did discuss it with a long-standing male friend once, when we started talking about our sexual fantasies. When I said I liked to be dominated, he confided that he'd always had a longing to shave off a girl's pubic hair. I was aware of a sexual chemistry that was surfacing between us and with one leg between his, I was delighted to feel a rising hardness. He told me he fantasised about nubile young girls and how it excited him to imagine gently sliding into a bald, fresh cunt before wildly fucking it! I was taken aback by his honesty, but madly turned on! That night, I made his dream come true by letting him shave me, then fuck my sopping pussy. When he came, it was as if he'd been waiting for it all his life!

Q *What is the reaction of your partner?*

A It guarantees an immediate hard-on, and I'm always prepared for a prompt and powerful ejaculation. I come and come again as I watch his huge cock ram it home to me. We end up making it every which way, and each time he finds a different way of rubbing me, reducing my pussy to a quivering wreck.

Q *Do you combine shaving with anything else?*

A Being tied up is really good if I am being shaved by someone else. I like to be blindfolded, too – the

powerlessness of being shaved is wonderful, and having my legs tied wide apart is tantalising as the cool blade is all around my mound. I love waiting for the warmth of his hot mouth and imagine the hardness of his cock sinking into my wet gap. Being so exposed is lovely, and I feel myself dribbling down between my buttocks. He sometimes bites my tits while I am tied like this, and the pain and pleasure makes me beg for his hardness inside me.

Would you recommend shaving to other people?

Yes, especially if you like role-play. You can enjoy yourself on your own in the bath, although I would advise people to keep a hairbrush or something handy, to make sure you can get filled up and satisfied if there isn't a cock around! A bare pussy adds to the reality of the role-play. I like to keep my school gym skirt to hand and wear it with no panties. Now and then I turn the tables on my partner, tie him up and tease him with my wet pussy.

What is your most erotic shaving experience?

That was when I was shaved by someone else on the sofa. He teasingly licked my swollen cunt at intervals as he worked. I enjoyed having my lips pulled apart. I was blindfolded, so it heightened my sense of feeling. I was very sensitive to every lick, every little touch of his fingers and at one point he teased me with his cock, lightly brushing my clitoris with his big, juicy, swollen head.

I knew I wasn't allowed to moan, though. My sexual energy built up so that eventually I couldn't wait any more, and I broke the silence by begging him to fuck me hard. He rammed it into me with deep, penetrating thrusts that were so fast I could hardly breathe.

After a minute, he pulled out and spurted his come all over my half-shaved pussy. I rubbed his come into my clitoris and he eagerly resumed his work.

When he had finished, he grabbed me, put me over his shoulder and threw me onto the bed, where he proceeded to take me very hard again, thrusting between my bare, glistening lips and making me come ferociously. We carried on through the night, with me as a sex-slave obeying his instructions to take up any position he requested from doggy-style to sixty-nine. Fantastic!

When did you shave your pubic hair?

I did it a few months ago with a long-term boyfriend. I got the idea from a friend whose boyfriend had done her. I was having a bath with my lover and asked him what he thought about it. He got really excited and wanted to get down to it straight away.

What did it feel like?

My pubes were soft before, and I was a bit worried what I would look like mingeless, but I loved to look down and see my boyfriend concentrating so hard on my pussy. It felt great afterwards, so soft and sensitive. I could tell right away that he thought it was terrific – he couldn't stop feeling me up and gladly went down on me loads of times. He was practically begging for permission to lick me out, and pretended to think it over, to tease him.

How does it make sex better?

Being shaved is definitely a turn-on for me and for blokes. I feel more confident all smooth and silky, and it's better for guys when they're giving me oral pleasure. Suddenly, my boyfriend was spending loads of time feeling me up and licking me out – I've never had so many orgasms. It also leads to more play-acting. He liked to pretend he was corrupting a young virgin. Sometimes I'd go out with him wearing no knickers and would flash my bare pussy at him under my skirt when I got the chance. Then he'd reach in and stroke my slit when he thought he could get away with it.

Once, we were alone on the top of a double-decker night bus, and I was so wet, I unzipped his trousers, pulled his stiff cock out and lowered myself onto it (well, we had been out drinking). When some other passengers got on, it just looked like I was sitting on his lap, but they must have wondered why I let out little moans every time we went over a bump! I was so turned on, I made him get off a few stops early with me, dragged him into some bushes in the park and got him to fuck me up against a tree. It was amazing being filled with dick while the cool night air caressed my wet cunt.

“IMAGINE **GENTLY SLIDING** INTO A **BALD**, FRESH **CUNT** BEFORE WILDLY **FUCKING** IT!”

“HE WAS **INTO** HARD **SLAM-FUCKING**, WHICH WAS **FINE** BY **ME**”

What reactions have you got?

Men get really, really turned on – my boyfriend got huge hard-ons and we always had fantastic sex. When another guy went down on my hairless fanny recently I couldn't stop him licking me, he was like a man possessed! I made him stop eventually, I was so tired, and he told me I was the best girl he'd ever tasted.

Do you combine it with anything else?

We've got into taking photographs with a Polaroid recently, and I like being pictured much more when I'm shaved. I lie down on the bed, or crouch over my man as he lies on the floor and open up my hairless pussy while he snaps away. He gets closer and closer with the lens until he can smell my excitement. Then he can't keep his hands off me and we start some serious fuck action.

Would you recommend it to other people?

Yes, especially for girls who want to get the best out of masturbation – you get so turned-on and wet. You can use a cream to get rid of the hair or a razor, but be careful, whichever you choose!

What's the most erotic experience you've had involving shaving?

A few months ago, I was having a purely sexual relationship with a guy I'd got to know. He is a military policeman and came to visit me in my flat while he was home on leave. I wasn't expecting him and had just got out of the shower when I answered the door, wearing just a little bath towel and still dripping with water. It made me feel horny straight away, to

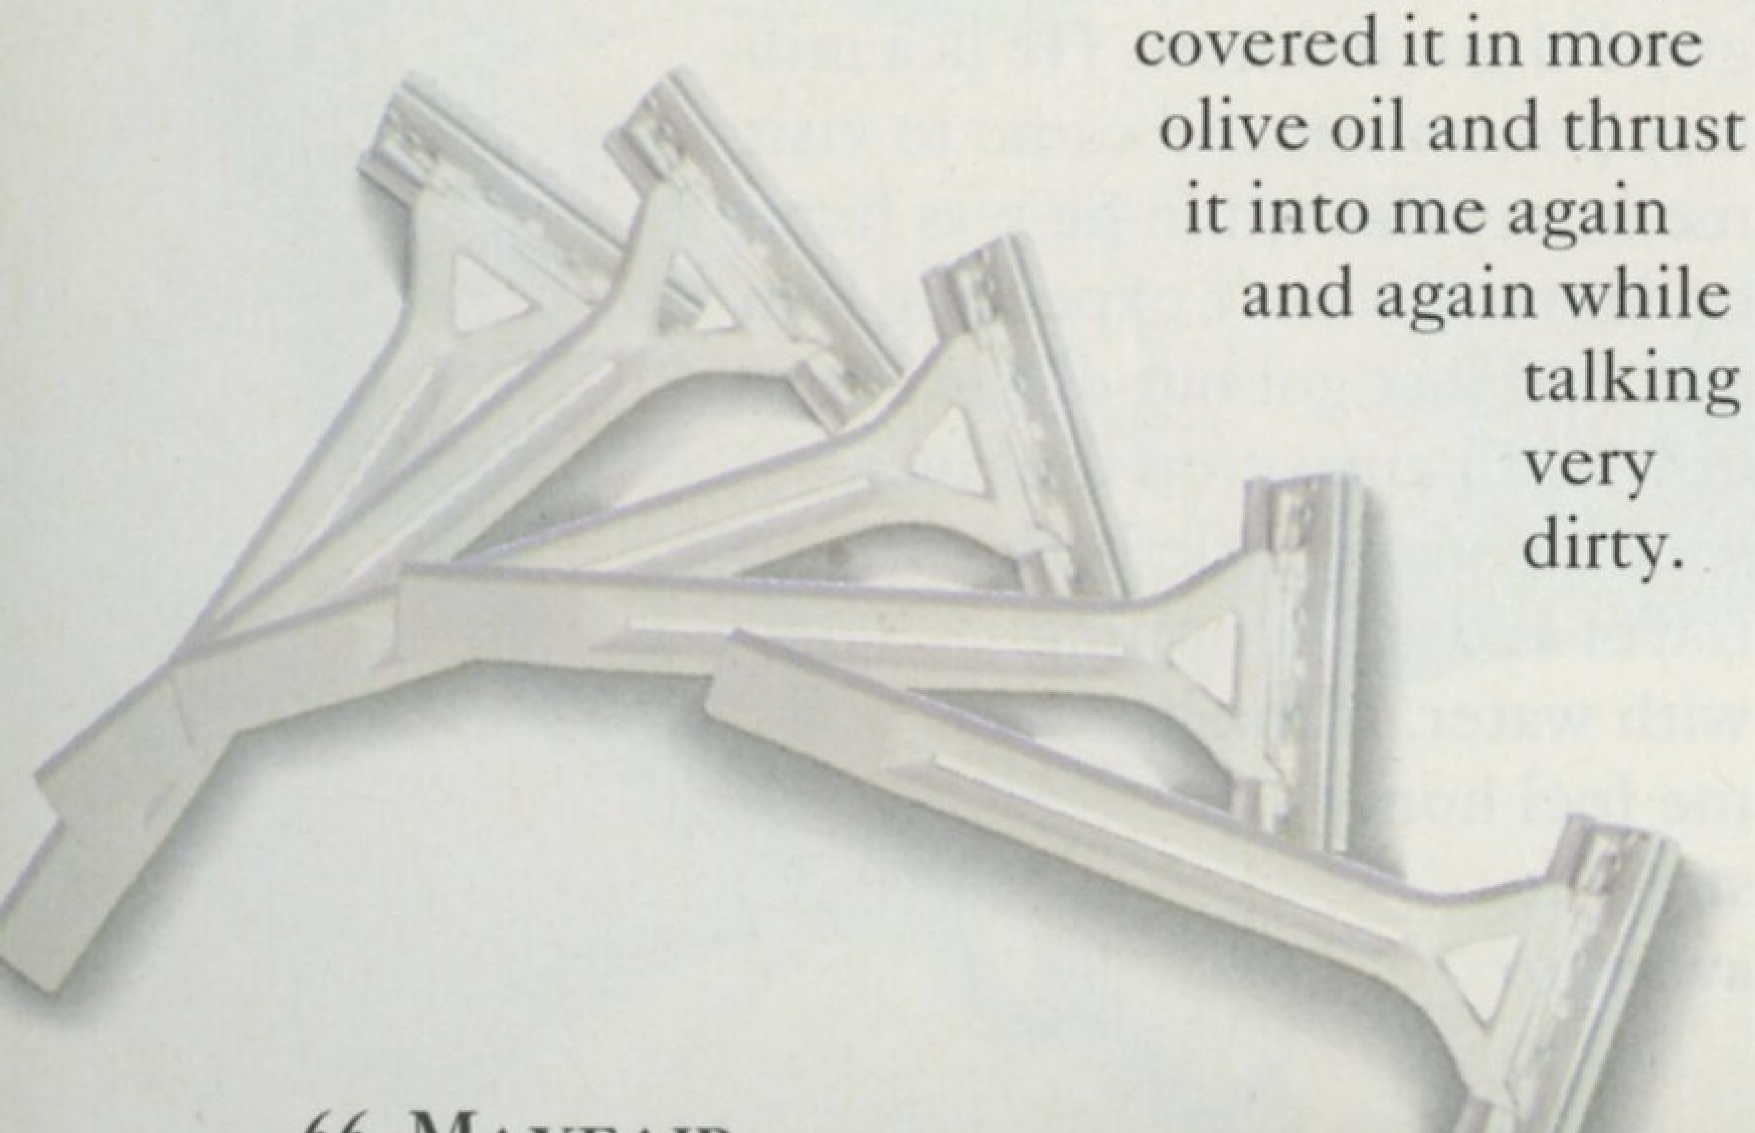
be wearing next to nothing while he was in his sexy uniform.

I offered him a cup of tea and led him into the kitchen, where I leaned against the table and let my towel slip down as if it was an accident. He didn't waste any time reacting, and before I knew it, he'd got his handcuffs out and clipped my hands to chairs on either side of the table, so I lay on my back on the table, completely at his mercy. He kneaded my tits and stroked my bush for a while, then disappeared into the bathroom, reappearing with a can of shaving foam and a razor. He roughly parted my legs and got to work on making my pussy pretty, ordering me not to move, which was hard as I was trembling with excitement.

When he'd finished, he reached onto the sideboard for a bottle of olive oil and drenched me with it, rubbing it into every inch of my skin, but especially my naked, shaven fanny. I was losing control and told him I couldn't wait any longer and wanted my pussy fuller than it had ever been before. He pulled his truncheon off his belt and started to work it into me, after making me pretend to give it head. It was massive and amazingly hard. I was screaming with pleasure, and couldn't believe how much of it I was taking. But you can't beat a real cock, and I told him my shaved cunt wanted spunk inside it. He pulled me by the waist to the end of the table, whipped his dick out, covered it in more olive oil and thrust it into me again and again while talking very dirty.



"Fuck my big, hard cock!" he shouted, "fuck it until you make me spunk inside you!"

We kept going for longer than I thought possible, until with one huge final thrust, he pumped me full of hot come. I thought that would be it, but it wasn't. He just stood there, looking at me for a while, then seemed to have an idea. He lifted the chairs off the ground and switched them over, so that I was now on my front. He pulled me towards the end of the table again until my legs were dangling, and opened my dripping pussy up with his hands and finger-fucked me with one, two and then three fingers. This got him turned on again and he climbed on top of me and gave my fanny a really good pounding. I came time after time, and we only finished when he roared loudly, pulled out of me and wanked himself off all over my back, rounding things off by massaging his sticky come into my aching fanny.

Q *When did you first shave yourself?*

A The first time was at college, but living with my boyfriend. I hadn't planned it, but once I started shaving in the bath, I thought about what my boyfriend would think if he saw me. I shaved and put on a pair of leather trousers I'd just bought, without any knickers. Then I went into our front room, stood in front of him and unzipped my tight trousers, holding the zipper open so he could see inside to my 'shaven haven'. His eyes almost popped out of his head and he couldn't get my trousers down fast enough! He dived across the room, peeled them off quickly and got on top of me on the floor. He already had a huge boner and stuck it into me as soon as he could for a totally crazy, quick, animalistic fuck!

Q *What did it feel like as you shaved yourself?*

A I was very excited and curious as to what it would feel like. I went very slowly and carefully and kept myself very soapy. The warm suds felt very nice as I held my lips open and felt the razor slicing off my pubes. When I'd rinsed, I was surprised how well-defined my slit was and I couldn't wait to get it filled.

Q *Does it increase the pleasure when you have sex?*

A It certainly gives it a boost and an extra buzz. My man was a lot keener to get down to business, and I was able to act like a pricktease because I knew he was desperate to get at my bald fanny. I'd walk around the house with no knickers on and give him flashes of my mound – 'accidentally' of course. I could hear him breathe heavily when he saw it and every time I looked, he had a big bulge in his trousers. Eventually, I'd disappear into the bedroom and when he came in, he'd find me spreadeagled on the bed, rubbing myself and telling him to take me.

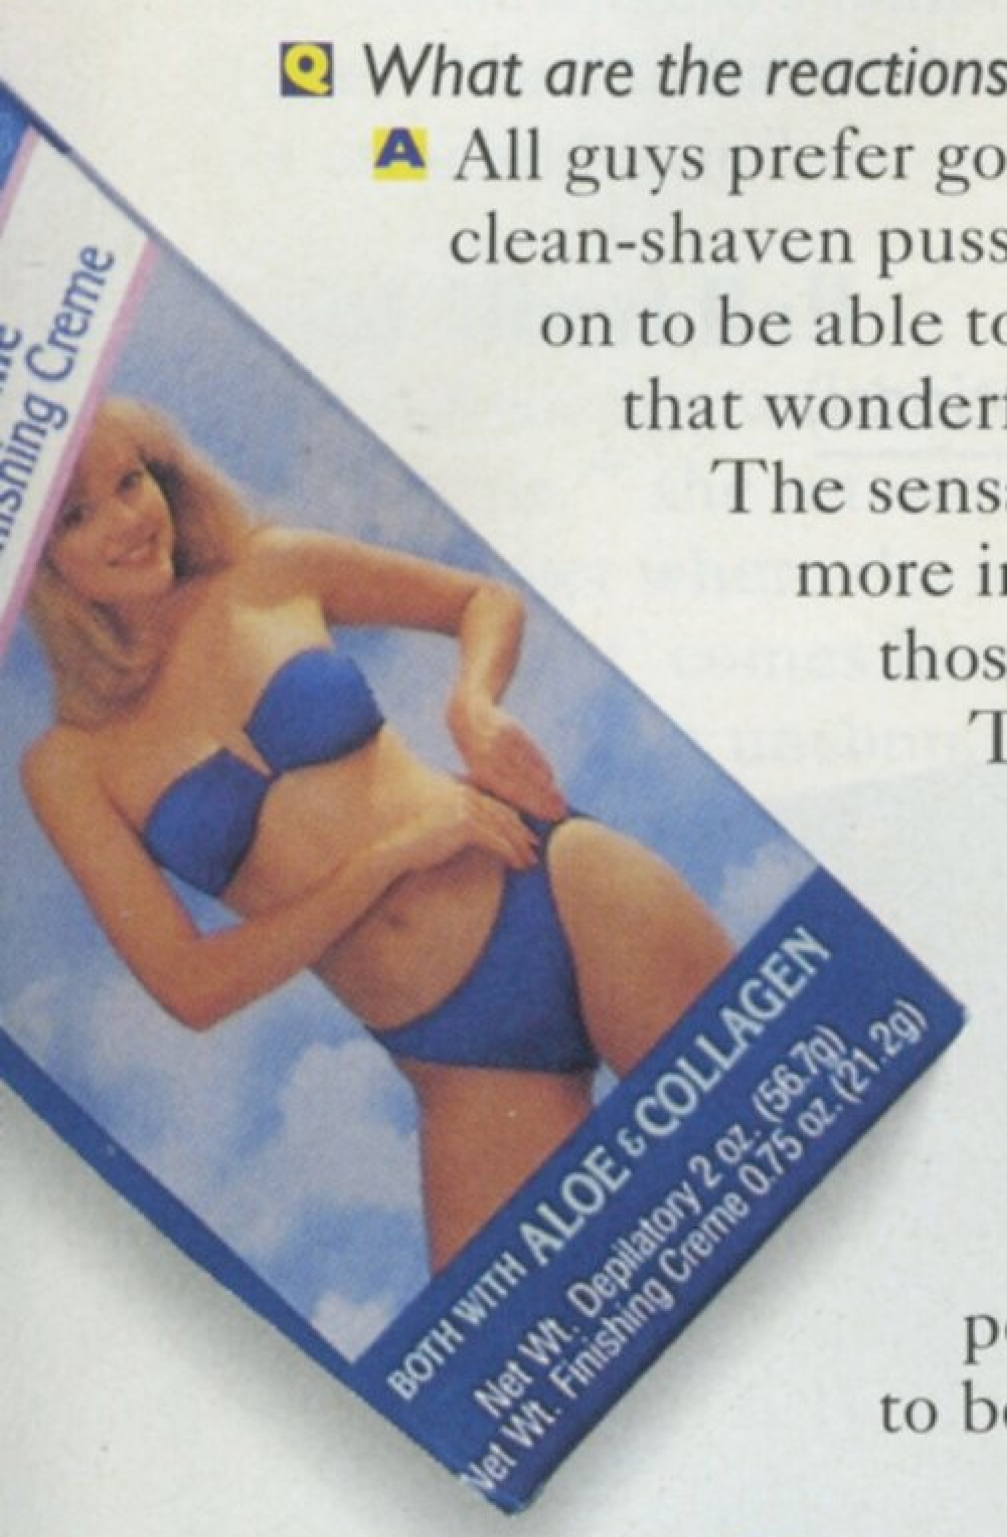
It's great to see his dick going in and out really clearly, which is really horny. Feeling his wiry pubes brushing against your soft, bare skin is gorgeous!

Q *Have you discussed it with your friends?*

A Boys don't realise just how much detail girls go into when we get going. The first person I knew who did it was my friend Vicky, when she was about 17. She had really big breasts that her boyfriend absolutely adored. The combination of those large tits and shaven pussy used to drive him wild, she said. Apparently, his favourite trick was to fuck her mound for a while, then get her to tit-wank him until he came all over her face and chest!

Q *What are the reactions of partners?*

A All guys prefer going down on a clean-shaven pussy, and it turns me on to be able to see exactly what that wonderful tongue is doing. The sensation's also a lot more intense without those pubes in the way. They like it because it makes your cunt-lips seem more fleshy and well-defined and of course, that little button can pop out easily, ready to be pressed!



Q *Do you combine shaving with anything else?*

A Not me personally, but I do have a friend who's had a pussy-ring put in, and she swears that she can get multiple orgasms all night when guys play with it!

Q *You'd recommend shaving to other women?*

A Of course! You've got nothing to lose except a bit of fuzz, and it will always grow back if you don't like it. And think of what you've got to gain – one flash of your bare fanny lips, and men just go to pieces, they're so desperate to fill you with their dicks. I'd recommend doing it in secret, then mentioning what you've done when you're out for a drink with a guy or something. Savour the look on his face and check his trousers – I guarantee there'll be a massive bulge there, and he'll drag you out of the pub for a great sex session within minutes!

“BEING TIED UP IS REALLY GOOD IF I AM BEING SHAVED BY SOMEONE ELSE”

Q *What's your most erotic shaving experience?*

A I was having sex with this guy, who had the biggest dick I've ever seen. He was into hard slam-fucking, which was fine by me (so long as he checked it was okay first!) and was pounding away at my pussy from behind, when I suddenly felt like I wanted to be shaved. Somehow, I knew it would just make the sex even better, so I got him to stop and shave me. He was totally into it, and while he gently stroked the razor over my willing mound, I could see how turned on he was because his cock kept twitching like he was going to come at any moment, and I wasn't even touching it.

When he'd finished, I could feel his hot breath on my lips, which drove me wild. I was dripping with juice and ready for anything. I spread my legs as wide as they would go, then closed them on either side of his head, forcing his face down into my wet crack. He lapped along my slit hungrily, with my thighs pressing him in as far as he would go when his tongue probed my hole. I came in his face, but there was no way I was finished – I was desperate for his big dick!

I let him go, and told him it was his turn. He climbed between my shaking thighs, pinned my wrists above my head with one hand and guided his stiff dick into my pussy with the other, then used it to grapple with my tits. He worked his cock around inside a few times, then really started to go for it. This was pure, rough, physical indulgence, and we had both let go completely. I wriggled off his cock, turned over and jammed it up my bum, screaming with pleasure as I did it. It only took a few thrusts, and he came all over my bum cheeks. There was so much come, I couldn't believe it and it felt amazing as it all dribbled between my legs and gathered on my naked pussy. Now that was a *real* fuck! Ⓜ

THE EXTRA AEROBATI MONO

Well, It's Certainly Not A Bird – Is It A Plane?

Easy to fly but still definitely one for the experts, the country's first Extra 300 monoplane belongs to former motorcycle mechanic and British Aerobatic Freestyle champion Brian Lecomber. Designed and built in Germany with a state-of-the-art Lycoming "boxer" engine, this is reckoned to be the finest machine around for cloud-hopping prop-junkies who like to show off on a grand scale. Able to plummet earthwards faster than a fat man on a broken bungee, Lecomber claims to have flown nearly 2,000 display flights and is licensed to perform manoeuvres just 30 feet from the ground! The Extra's distinctive perspex cockpit gives the all-round visibility needed to perform to the max, plus the unique chance to get an all-over tan while enjoying a white-knuckle ride.

Wings stressed to withstand 20Gs
'Bomb'-like wheel housings (cool!)
Nine-litre Lycoming flat-six pumps out 300hp
Little sticky-out bits on wing tips for 'go-faster' effect
Variable-pitch, constant-velocity propellor

Yeah, It's Super Man – But How Much Is It?

An on-the-runway price approaching £160,000 puts it comfortably beyond anything else with a Rover or MG badge on it, but this is hardly a replacement for the lovely old Maestro, is it? Built like a classic F1 car, with faster acceleration than a Ferrari Testarossa and it flies as well! It'll also turn more heads than any mere car ever could, particularly when you come zooming out of low cloud flying upside-down while tap-dancing on the wing-tip! And if you can't afford to buy one of your own, you could always try tapping Lecomber's Firebrand Aerobatics (Tel: 01296-631102) for a loan.

ANGEL

PHOTOGRAPHED BY CHANTEL THOMAS

Favourite Sport: *I'm not really much of a sports fan, I'm afraid. I do a lot of jogging to stay in shape, but that's not really a sport, is it? If I had to choose one to watch, it would probably be gymnastics – but only so I could get a good look at those fantastic bods the male competitors have!*

First Kiss: *I was a very late starter and didn't even get my first peck on the cheek until I was sixteen – which I thought was pretty raunchy at the time. When he tried to push his tongue into my mouth, I ran off screaming! But I've been making up for lost time ever since…*

Favourite Film: *I'm a bit of a softie at heart, and I can always while away a few hours watching an old weepie. Something like* Brief Encounter *gets me crying like a baby every time I watch it. I'd love to bump into a handsome, interesting, intelligent traveller when I'm at work, but the only people who try to chat up air hostesses these days seem to be horrible businessmen who've had too much duty free!*

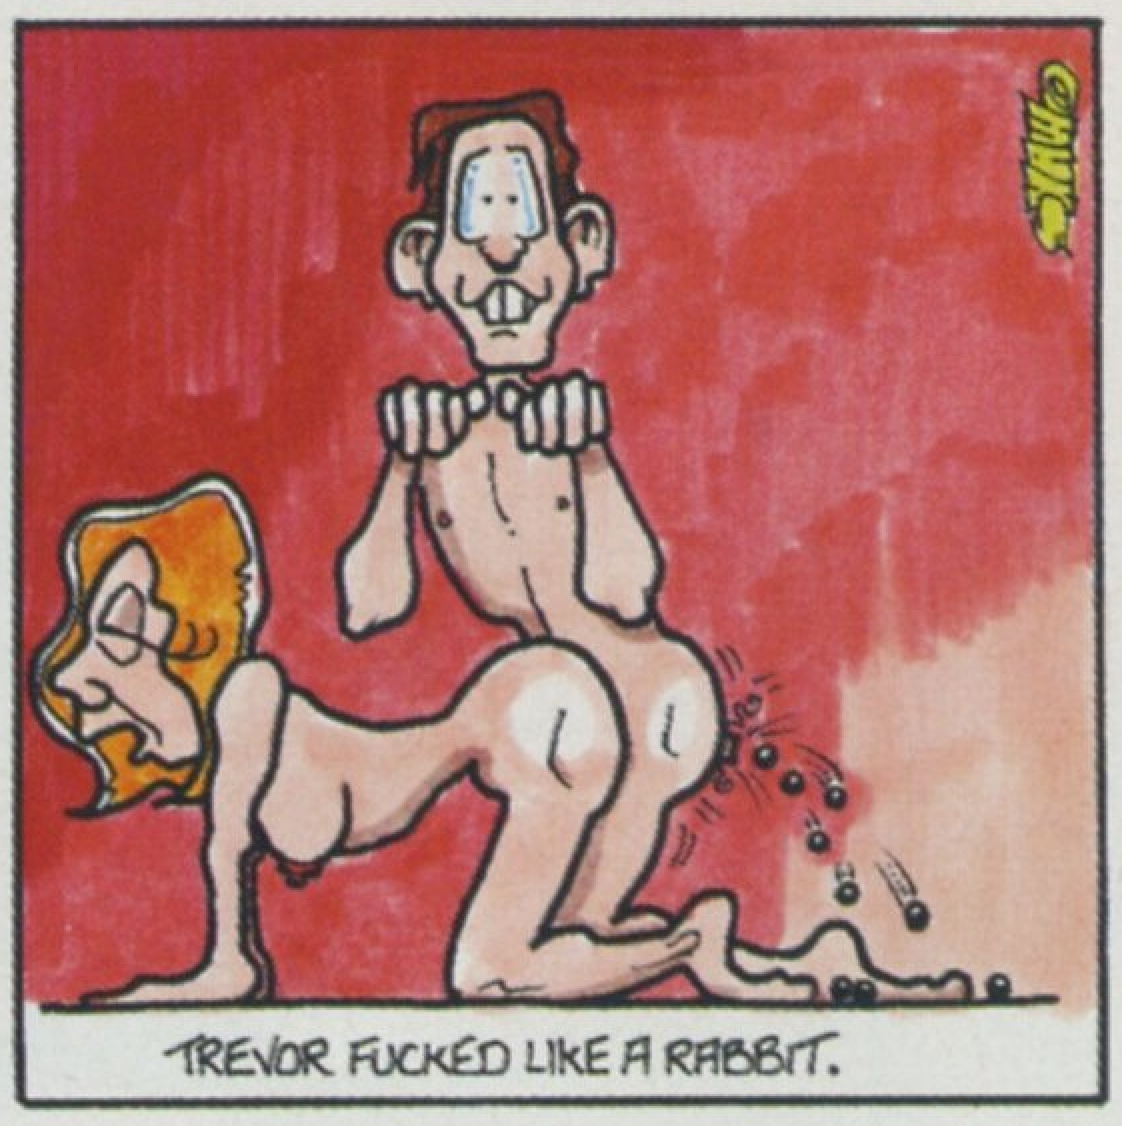
Most Erotic Experience: *I was on holiday in Hawaii last year when one of the locals offered to give me free surfing lessons. He was your typical surfer – a total air-head but with a great body. When I fell off the board for about the tenth time, I just grabbed him, dragged him into the shallow water, ripped my bikini off and told him to fuck me. It was great with surf crashing all around us, his tanned skin and a gorgeous cock!*

MAYFAIR Male

continued from p63 Julie turned to me and said "Come on then, big man, let's see what you can do with that." She pointed at my dick and said "I want that as far up me as you can put it!"

She sat astride me on the chair and lowered herself onto my throbbing shaft. Julie started to bounce up and down on my cock. I grabbed her around the waist to help her really slam down hard. We carried on like that for what seemed like ages, until she started to shiver and come again loudly, with juice pouring out.

Still she wasn't quite satisfied. She slumped to the floor and let Declan finger-fuck her for a while until she was so turned on again she begged one of us to get a cock inside her. We compromised by taking it in turns to fuck her again. I got on top, lifted her hips and gave her a quick, hard fuck, then she rode Declan slowly as he squeezed her juicy tits.



TREVOR FUCKED LIKE A RABBIT.

We were all tired out. Declan disappeared into his bedroom and Julie and I fell asleep on the sofa. I was woken a little while later by the pleasant feeling of Julie sucking my cock again. When she saw I was awake, she said "I want you nice and stiff again so I can have one last fuck before I go home." It didn't take long for my cock to be ready after an offer like that. I bent her over the edge of the sofa and fucked her from behind. Her arse rippled wonderfully each time I pushed my cock into her and once again, she found it hard to stifle her screams.

We had a quick shower and with Declan still fast asleep I called a taxi. I shared the ride with her, fingering her pussy in the back seat all the way to her parents' house.

Apparently the wedding went well, though I haven't seen Julie since. I did bump into one of her friends though, who told me Julie had wanted to thank me for her "wedding present." See, it just goes to show that the gypsy was right: "Everything comes to he who waits!"

Richard Thomas, Caerphilly

Reply: *The mists are clearing… there is a mysterious stranger… he approaches, his head obscured by a sinister hood… and, as if from far away, his voice rings out… he has a message for you, Richard… "You jammy little git!"*

TOO HOT TO HANDLE?

I would like to have my book that I am writing serialised in your excellent magazine. The book I am writing is called *The I Have Not Got Something Nasty Up My Bottom Good Curry Guide.*

The book is a humorous, erotic and very informative guide to the world of curry. It also includes twelve recipes put together by me and my good friend Tarique Hussaine, who owns and runs his own Indian restaurant.

I have five chapters ready for your inspection, that are also lavishly illustrated.

Sandy A M O'Connor, Worcester

Reply: *Well, readers, should we call Sandy and offer to serialise his book (though the first instalment wouldn't have room for much more than the enormous title)? After all, that's what you buy Mayfair for, isn't it? You know, recipes and stuff. We could always lose one or two of the girls to make way for spicy Indian dishes, and bowls of pilau rice and chutney are much easier to pose…*

It's Your Shout… So Get 'Em In!

You've reached the end of the Mayfair letters section. Good, weren't they? But not as good as yours, we'll bet. No prizes, no praise, purely the honour…

You know you're reading MENONLY

when it gets up and hits you in the eye

Independent market research shows that the *Men Only* reader is not only more intelligent than the magazine's editor, he also has a much bigger wozname, and can keep his end up in an on-going two girl lickety-split with butt plug situation for several weeks at a time. This is why the most beautiful new models insist on showing their gorgeous tip-tilted thingummies, round bouncy whatsits and naughty pink girlie bits in *Men Only* first.

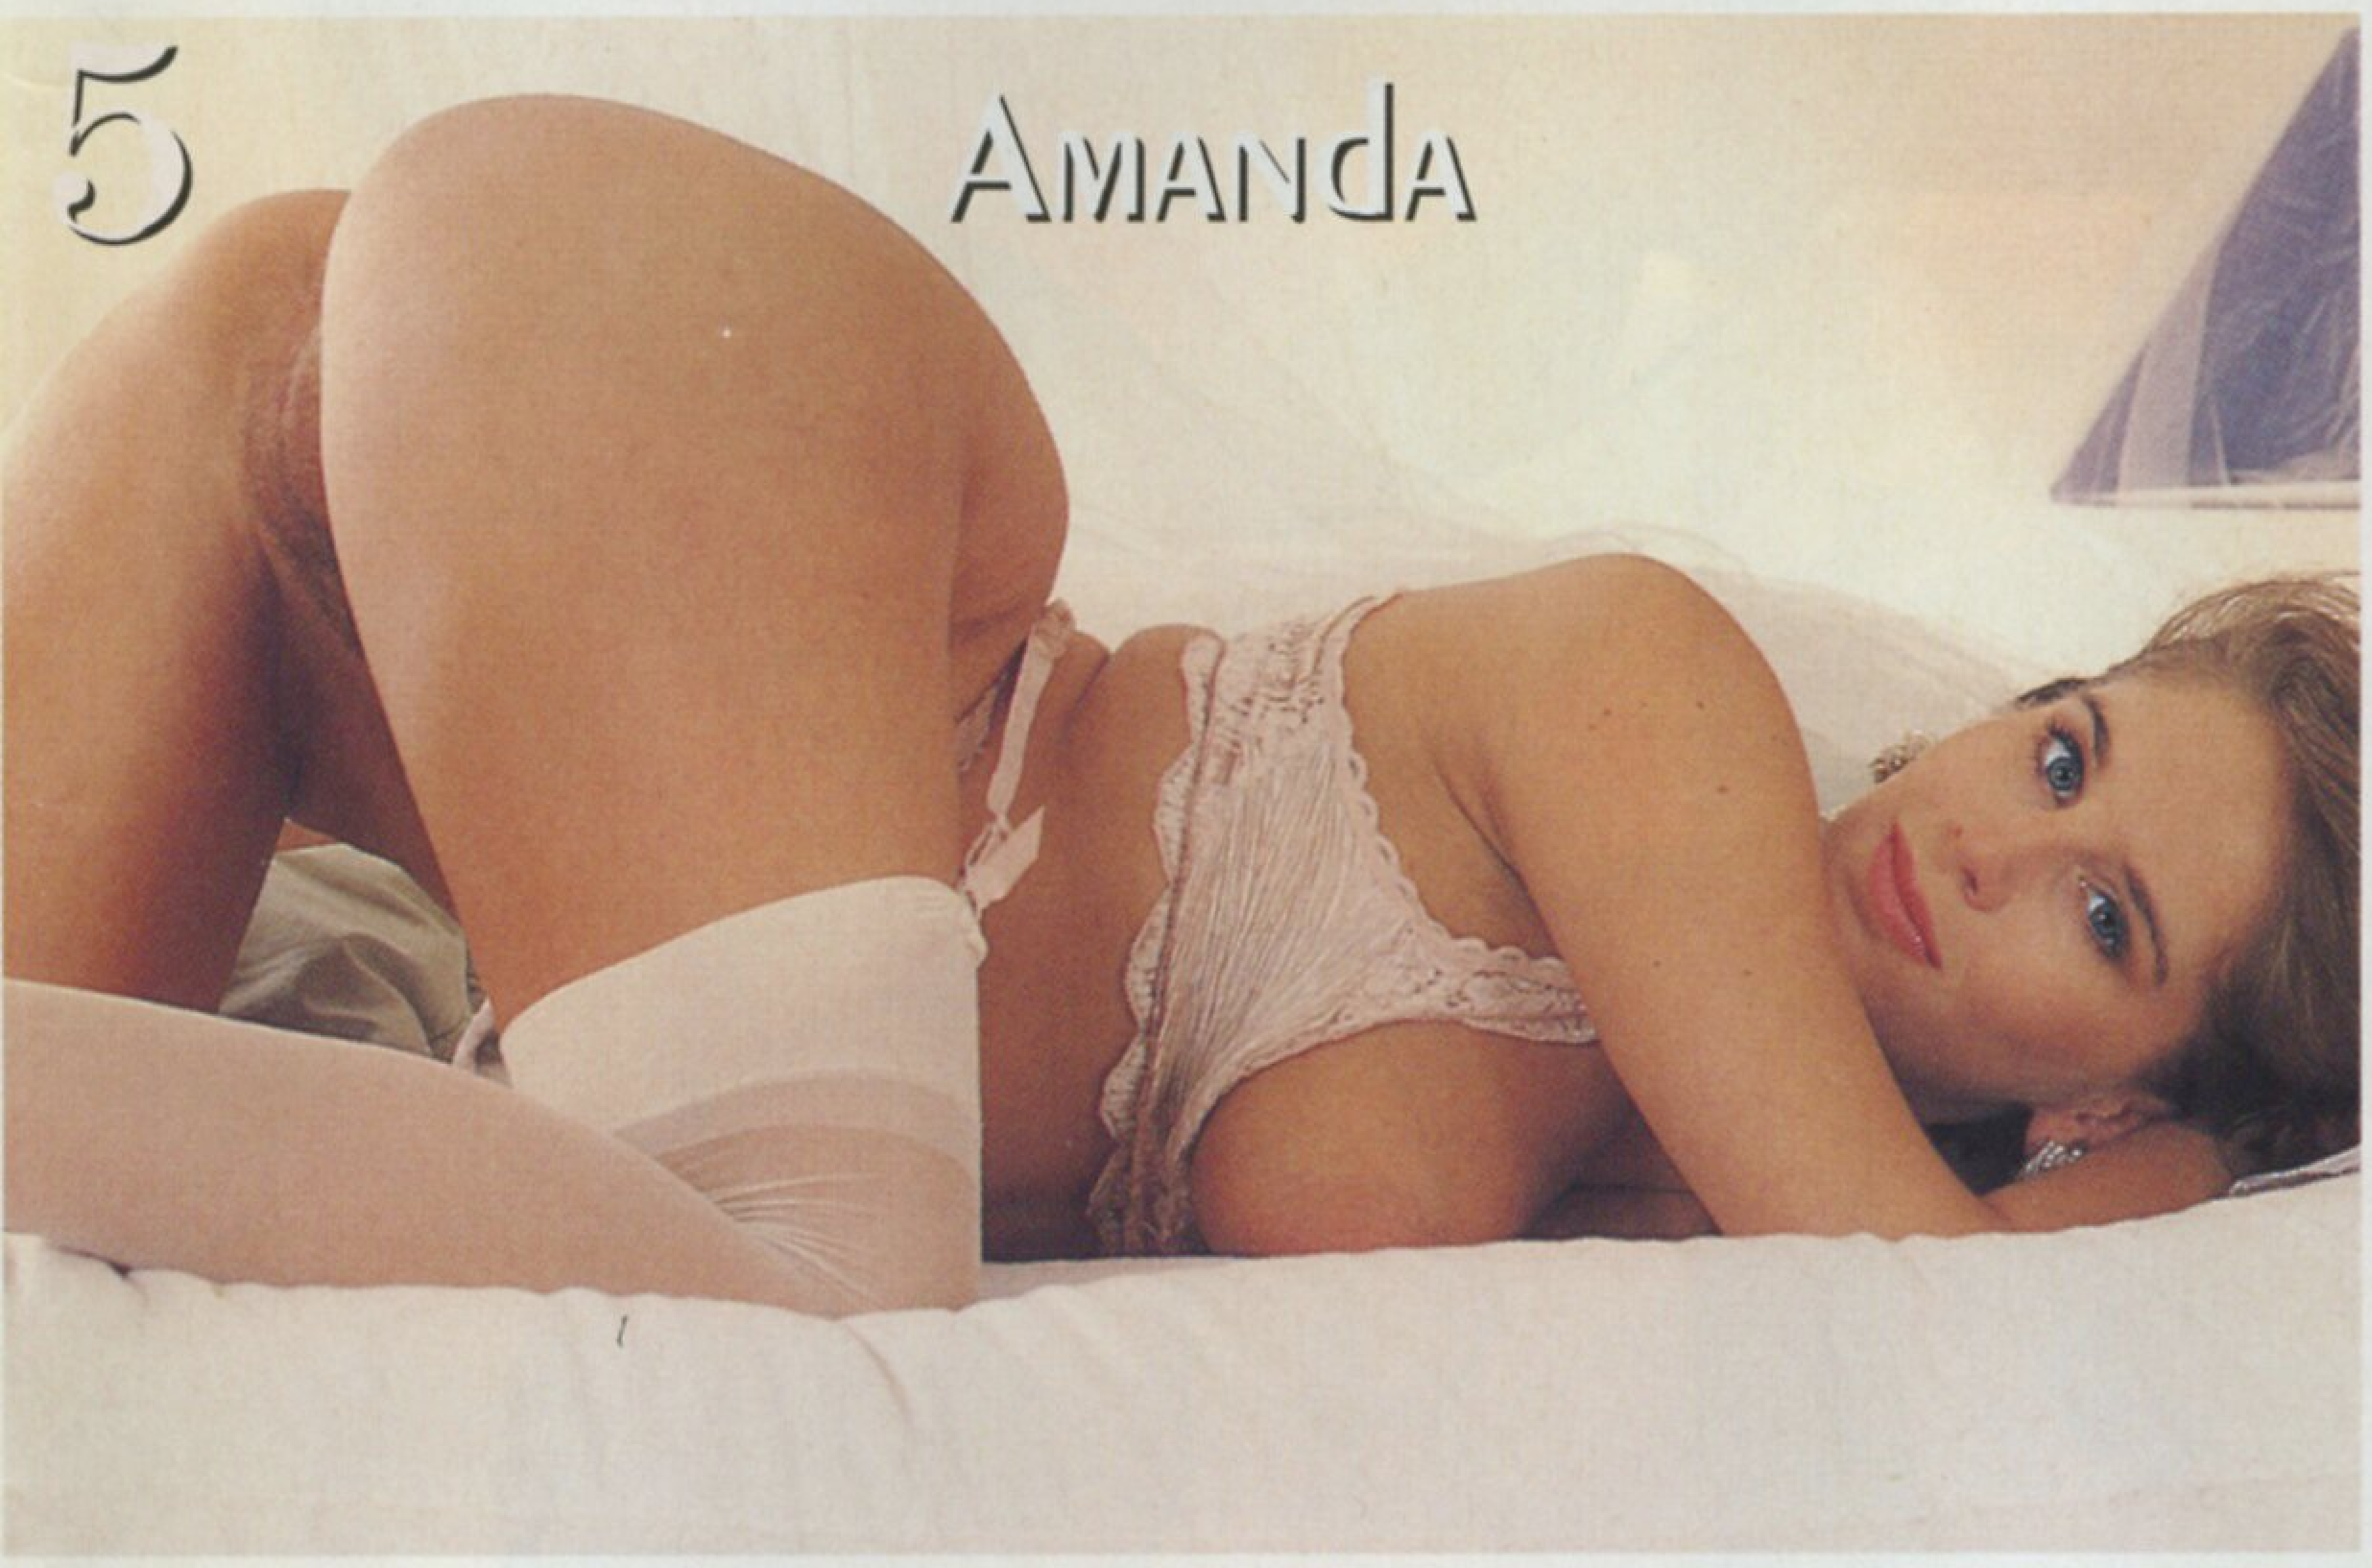
J PAYS ONEY…



J TAKES HOICE!

We receive hundreds of letters and photographs from girls wishing to appear in *Mayfair*, but sometimes we just can't decide who to use and who to refuse – so maybe you can help? All the photos you see here are 'test shots' of young hopefuls which we're happy enough to print (in fact, some of them have already appeared in previous issues), but what do you think? Use the coupon to tell us in what order you'd use the girls, and we'll do just that…

YOUR NUMBER'S UP!

Simply award marks for each girl, giving ten to the young hopeful you'd like to see most, going down to just one point for the girl you like the least (yes, we know it's virtually impossible to decide – why do you think we've got you to do it for us?). We'll feed the information into a database, work out who gets most votes overall, and run the top three point-scorers in Mayfair Vol 31 No 9. Oh, and while you're at it, why not jot down your personal details on the reverse of this coupon? Go on, you know it makes sense…

Send the completed coupon to
MAYFAIR MAGAZINE, 2 ARCHER STREET, LONDON W1V 8JJ
– or fax your selections to us on: 0171 734 5030.
